

**II SEMESTER B.Tech./B.E. END SEMESTER EXAMINATION TIME TABLE JULY/AUGUST 2026**

| <b>DR. APJ Abdul Kalam School of Engineering</b> |                     |                    |                                                              |                |
|--------------------------------------------------|---------------------|--------------------|--------------------------------------------------------------|----------------|
| <b>B.E. Computer Science (BECS)</b>              |                     |                    |                                                              |                |
| <b>Date</b>                                      | <b>Timing</b>       | <b>Course Code</b> | <b>Course Title</b>                                          | <b>Credits</b> |
| 28 July 2026                                     | 10:45 AM - 01:30 PM | 10AFYCC25211       | Computational Mathematics-II<br>(Probability and Statistics) | 4              |
| 30 July 2026                                     | 10:45 AM - 01:30 PM | 10AFYCC25212       | Physics For Engineers                                        | 4              |
| 03 August 2026                                   | 10:45 AM - 01:30 PM | 10AFYCC25214       | Data Structures                                              | 3              |
| 05 August 2026                                   | 10:45 AM - 01:30 PM | 10AFYCC25215       | Programming for Problem Solving – II<br>(with Python)        | 3              |
| 07 August 2026                                   | 10:45 AM - 01:30 PM | 10AFYCC25217       | AI for Engineers (Intel AI)                                  | 3              |

| <b>B.E. Information Science (BEIS)</b> |                     |                    |                                                              |                |
|----------------------------------------|---------------------|--------------------|--------------------------------------------------------------|----------------|
| <b>Date</b>                            | <b>Timing</b>       | <b>Course Code</b> | <b>Course Title</b>                                          | <b>Credits</b> |
| 28 July 2026                           | 01:45 PM - 04:30 PM | 10AFYCC25211       | Computational Mathematics-II<br>(Probability and Statistics) | 4              |
| 30 July 2026                           | 01:45 PM - 04:30 PM | 10AFYCC25213       | Basic Electronics Engineering                                | 4              |
| 03 August 2026                         | 01:45 PM - 04:30 PM | 10AFYCC25214       | Data Structures                                              | 3              |
| 05 August 2026                         | 01:45 PM - 04:30 PM | 10AFYCC25215       | Programming for Problem Solving – II<br>(with Python)        | 3              |
| 07 August 2026                         | 01:45 PM - 04:30 PM | 10AFYCC25217       | AI for Engineers (Intel AI)                                  | 3              |

| <b>B.Tech. Computer Science (BTCE)</b> |                     |                    |                                                              |                |
