2.00-4.00 pm

**Research overview &
Questionnaire design**

About Garden City University

Garden City University was established under Karnataka State Act no. 47 of 2013 and approved by UGC. The University is a product of a legacy of providing quality education for more than 3 decades. The journey started with the establishment of Garden City Education Trust in the year 1992 by Dr. Joseph V.G. who is the first Chancellor of Garden City University. The Trust was established to set up centres for educational excellence that would accept only qualitative practices nurturing students with value based education. The University, ever since its commencing has focused on holistic international standards of education. The nine schools from different streams of Commerce, Science, Humanities, and Engineering offer numerous programmes that are the best in the industry and the country. Unique programmes at UG and PG levels like Forensic science, Cyber Forensic, International Accounting, English with Comparative Literature, Food Technology, Nanotechnology, and English with Computational Linguistics, AI & ML are offered at GCU. All nine schools also offer Ph.D. programmes. All programmes at GCU comply with NEP 2020.

A new university campus is being developed in a lush green area spread over 150 acres of land, adjacent to the Volvo manufacturing plant. This is a part of the township envisioned by Dr. Joseph V.G. which would have Knowledge Parks, IT and BT Parks, Hotels and Convention Halls, Shopping Malls and Residential areas. The Mission and the Vision of the University is based on the belief that social development is an avenue for nation building which is inculcated through the approach and the policies of the University.
