EMPHASIS ON LIFE

GCU/GH/AR/2018/206   28th June, 2018

To,

The Executive Director
Karnataka State Higher Education Council
Bangalore - 560 009

Sub: Submission of the Annual Report and Annual Returns for the Academic Year 2017-18.

Sir,

I have the privilege to submit the First Annual Report and Annual Returns of Garden City University for the Academic Year 2017-18. The University commenced its academic activities in July, 2017. I am proud to say that in the very first year the University has taken effective steps to run all its courses in an atmosphere of high discipline, strong academic commitment and transparency.

The main focus of the University has been to get best out of the students and all the programmes have been dovetailed to achieve student centric development. The reforms in the examination system being introduced have resulted in creating a fair and transparent atmosphere which the students have greatly appreciated. Further, the attendance of students in class rooms has been excellent and the examination results above expectations.

The teaching faculty has been highly motivated with the introduction of the UGC Choice Based Credit System (CBCS) Scheme and there is a total transformation in the academic atmosphere on the Campus. The University too has conducted a large number of curricular and co-curricular activities with NCC and NSS giving its level best. The motto of the University 'Emphasis on Life' has been the guiding factor in all the activities of the University to achieve the ultimate, of achieving academic excellence in students and making them responsible citizens of the Country.

With the above foundations laid down in the very first year, the University proposes to march ahead in the Second Year with still greater vigour and commitment.

Yours sincerely,

Prof. V B Coutinho
Vice Chancellor

OUR MOTTO

EMPHASIS ON LIFE

A University for Learners that emphasizes on life, upholding the Emotional Quotient that it develops amongst its Learners and Teachers in the pursuit of acquiring and enhancing the Outlook Quotient which is nothing but Intelligence Quotient through all angles including peer to peer and instilling in them values through its Life Quotient initiatives in making them better human beings for the immediate society and the world at large. Thus, Emphasis on life.

MISSION

The Mission of Garden City University is to evolve, synthesize and spread the power of knowledge to arm the new millennium through world class initiatives and academic practices that focus on overall development of students.

VISION

The vision is to be a University that will offer affordable world class education to all classes of students in order to uplift the society we serve, by nurturing human values and ethics and by imparting knowledge which emphasizes on life skills.

THE BEGINNING

Garden City University had a humble beginning in the year 1992 as Garden City College of Science and Management Studies founded by Dr. Joseph V. G. The simple ideal behind the institution was to create skilled manpower and above all make students to be morally responsible in uplifting the society.

Dr. Joseph V. G., although had begun the institution as a means for his livelihood soon realized that he was on a mission that directly involved nation building. As such right from the word go, Garden City College simply believed that Higher Education is seamless and it's not just the class room learning that is essential but the skills to manage life was more important.

At a time when competitions was getting fiercer by the day in producing academic robots Dr. Joseph's institution worked on the core idea of making better human beings out of every individual that pass through its educational portals.

Thus **"Emphasis on Life"** has been the strength, the vision and mission aligning with the ethos of Garden City University.

Garden City University is a prominent name in the higher education sector of the country. It hosts students from 80 nations across the globe, and is the hub for innovation and pioneering creativity. Established under the Karnataka State Act no 47, of the year 2013, the University is a successor of a legacy which has run more than two and a half decades. The Garden City Group of Institutions have been in the forefront of providing quality education to various strata of the society, and along the way empowering students with the ability to succeed not just as expert professionals, but also with the ability to touch and change lives.

Garden City University has an array of programmes to offer ranging from Information Technology, Management and Commerce, Humanities and Social Sciences, Life Sciences and Paramedical, Media and Fashion, to Hospitality and Tourism, catering to a diverse crowd with diverse background. The University is equipped with its state-of-the-art facilities, basic and advanced labs, new age technology and learning tools, etc. Further, GCU offers its students global exposure, innovative programmes, hands-on experience in problem solving and management of resources, robust industry interface and alumni networks coupled with mentoring from outstanding faculty and industry experts.

CONCEPT

At Garden City University, our primary focus is on revolutionising the outlook of education in India by raising existing standards and elevating our students employability, skills and knowledge.

Our emphasis is on skill-based education in order to make our students employable globally. We venture into this youthful space where students in their quest for higher education are able to assess their potential and select a requisite study program.

GCU is a learner centric University that allows its main stakeholders – its students, the flexibility and the responsibility to choose what they want to study. GCU offers its students 6 different study routes:

1. The Scholarly Route
2. The Managerial Route
3. The Skill based Route
4. The Research Route
5. The Entrepreneurial Route and
6. The Academic Route

GCU stands by its motto of "**Emphasis on Life**" and works on both the Emotional Quotient and the Intelligence Quotient of its students. Emotional Quotient ensures that the learning is multi - dimensional and the Teacher-Student bond is epitomized. Intelligence Quotient encompasses learning from all angles, including learning from and amongst peers, which stimulates creativity.

The GCU programmes are modeled to achieve both vertical and horizontal growth. This is to ensure that students have the freedom to pick their core courses and take up subjects that may be outside their field of study. The curriculum at Garden City University is designed in such a way, that it would not just stand out, but also increase the involvement of its stakeholders in the process. The presence of

technology interventions at all levels will make study at GCU an exhilarating experience.

Our exclusive Learning Management System is being heralded as a catalyst for change in the education field and will be one of our greatest strengths. Rapid interactive tools and virtual/augmented reality based learning experiences are additions that will give the students a comprehensive outlook to explore various learning avenues.
Some concepts that have branded GCU to be a learner centric University are:

1. Management Trainee Concept
2. CREATE
3. ARM Strategy

Management Trainee concept: The Management Trainee program aims at creating empowered managers with an inherent ability to lead confidently and enthusiastically both as individuals and as team players. A plethora of events unfold throughout the year at GCU and students manage the events from their inception until their conclusion, under the guidance of a faculty convener. Students from various streams are selected for the position of Management Trainee (MT) and are allotted important responsibilities. These MTs then build a team of students around them and handle the events. The students gain incredible firsthand knowledge during the process of conducting these events.

CREATE (Culture, Region, Evolution and Tradition in Education) This concept was implemented to develop and improve "Practical Exposure Quotient (PEQ)" amongst both students and faculty and benefitting all stakeholders to exhibit better inter team coordination amongst departments. 'CREATE' adds value to students in terms of soft skills and aligns them with our motto of Emphasis on Life. The ideation behind CREATE was, that every Department provide a faculty member and five students, in

consultation with the programme convener, to contribute to an event conducted by the University. GCU builds its robust universe of education adapting the questioning module at all its levels. Every aspect is dealt with on the following principle –

"Forecasting, Connecting, Pursuing, Clarifying and Recounting".
This principle instills in students a deeper sense of commitment both in terms of what they choose to study and shape their potential careers.

ARM Strategy: With years of innovation and insight behind us, we strive to bring in radical changes in academic pedagogy, taking cue from the 'ARM Strategy' introduced at Garden City University. ARM stands for – Ambition, Resources and Mentoring; where in, we help a student focus on their ambition, provide them adequate resources, and mentor them holistically so as help them achieve their goals. We take our University Social Responsibility (USR) very seriously and make it mandatory for all stakeholders to respect the eco system where the University is built and notably give back to society. The entire campus is built with a green purpose integrating everything that is needed to preserve the ecology and reduce our carbon footprint.

The culture of education here at GCU is to foster positive emotions, build stronger relationships and achieve a sense of purpose, in line with our values and beliefs.
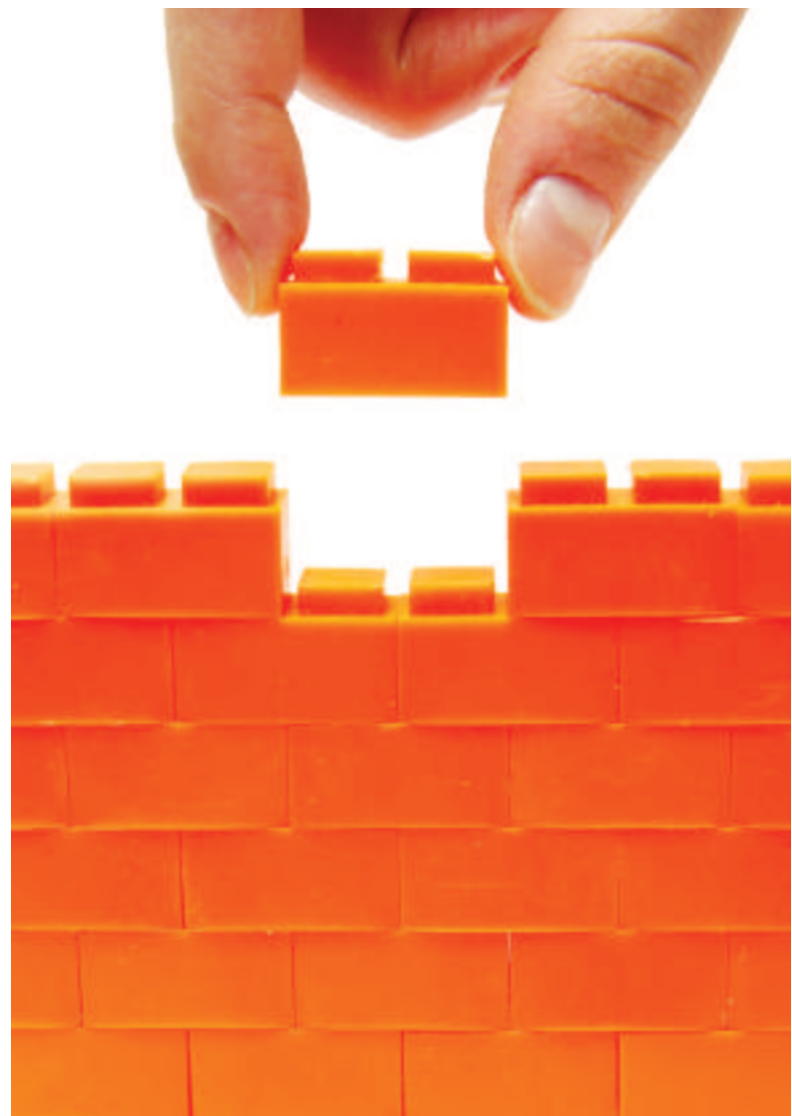

OBJECTS

The larger objects of the University:

1. To support, promote and undertake advancement of an innovation in University Education leading up to and including Post Graduate, Doctoral and Post-doctoral courses in Technical, Health, Management, Life Sciences, Agriculture, Law and allied sectors and make provisions for research, advancement and dissemination of knowledge including consultancy in these fields

2. To collaborate with other Universities, research institutions, non-profit organizations, industry associations, professional associations or other organizations, to conceptualize, design, develop and offer specific educational and research programmes, training programmes, and exchange programmes for students, faculty members and others

3. To undertake collaborative research and advocacy with any organizations with prior approval of State Government

4. To disseminate and advance knowledge by providing instructional and research facilities in such branches of learning as it may deem fit and in particular, to make special provisions for integrated courses in Technical, Health, Management, Life Sciences, Agriculture, Law and other Higher Educational Programmes of the University and to make appropriate measures for promoting interdisciplinary studies in research

5. To develop human resources to meet the demands of high end technical and professional industries with research on future sustainable technologies catering to engineering solutions and support technology business and technology incubation

6. To provide innovative system of University level education, flexible and open with regard to methods and places of learning, combination of courses, eligibility for enrolment, age of entry, conduct of examinations and operation of programmes with a view to promoting access and equity in higher learning besides encouraging excellence in new fields of knowledge and placing special emphasis on both academic as well as application oriented learning

7. To develop resource centres to contribute to quality education with prior approval of State Government

8. To establish Campuses, Regional Centres, Study Centres and constituent Colleges at various locations in Karnataka and to contribute and develop an understanding of educational change in Technical, Professional, general education and social and human development with prior approval of Government

9. To institute degrees, diplomas, certificates and other academic distinctions like award of credits on the basis of successful completion of academic work evaluated through multiple modern methods of assessment

10. To disseminate knowledge and develop a public debate on issues of education and allied development fields through seminars, conferences, executive education programmes, community development programmes and training programmes and events

11. To undertake programmes for development and training of faculty and researchers of the University in partnership with any other University of quality with prior approval of the State Government

12. To undertake necessary or expedient action to pursue and promote the objectives of the University

13. To pursue any objectives as may be approved by the Government for the enhancement of education and other development sectors in India

THE GCU LOGO

Brown is the colour of earth. It represents wholesomeness, reliability, elegance, security, healing, home, grounding, foundations, stability, warmth, and honesty. A Gardenian will always be reliable, wholesome, down to earth and useful to the society. Orange represents enthusiasm, fascination, happiness, creativity, determination, attraction, success, encouragement, and stimulation. Garden City University is a destination that fosters all of the above hues that the orange colour represents. White is the colour of perfection. White means safety, purity, and cleanliness. White always has a positive connotation.

Gardenians and the Garden City University is with a purpose which is to make the world a better place to live and Garden City University is on this path with **"EMPHASIS ON LIFE".**

G in our logo is the Gardenian, Garden City University, the Great institution that it represents and the Grand ideology that it believes in.

GCU ANTHEM

GCU Anthem emphasizes on the importance of unity, prosperity, ethics, sovereignty and courage in attainment of success in life. The verses of the Anthem are:

Garden City University
Conquer we shall, all adversity
Together we stand in Unity
Together we strive for prosperity
GCU.....Emphasis on Life
GCU....Emphasis on Life

Together we march with values so true
Trusting our strength from GCU
Stands our fort, a gleaming nest
Arming our souls for the sovereign quest
GCU.....Emphasis on Life
GCU....Emphasis on Life

Salute to you, beloved GCU
Honour and glory, ever follow you
Salute to you, beloved GCU
May goodwill and success meet in you
GCU.....Emphasis on Life
GCU....Emphasis on Life

AN INCREDIBLE JOURNEY...

25 years' credibility

An institution's age and its constant innovation coupled with how its students are placed professionally defines its credibility. Garden City College of Science and Management Studies established in 1992 has a legacy of dispensing quality education and the result of this yeomen service, today it's a University.

Garden City Education Trust was founded in the year 1992 by Dr. Joseph V.G. He has over 35 years of Experience in the field of education. The Trust was formed in 1992 with the support of likeminded educationists like Late Prof Shivarudrappa – former Dean, Dharwad University, Late Dr Hanumanthappa former Vice Chancellor, Bangalore University, Prof V.B. Coutinho, former Vice Chancellor, Gulbarga University and Prof Rame Gowda, former Vice Chancellor of the Karnataka State Open University. The Trust was established to set up Centres for educational excellence that would accept only qualitative practices nurturing students with value based education.

The Trust began its operations with Garden City College of Science and Management Studies offering programs under the Bangalore University affiliation. The institution went on to bag the highest grade of "A" when assessed by the National Assessment and Accreditation Council – the premier accreditation body under the UGC. The Institutions is ISO 9001:2008 and ISO 14001:2004 certified as well.

In 2013, the benign Government of Karnataka passed the "Garden City University Act", considering the merits of the Garden City Education Trust to set up Garden City University.

Dr Joseph V.G is an educationist par excellence who at a very young age proposed to bring forth qualitative changes in the Education scenario in

The man behind Garden City University (GCU) – Dr. Joseph V.G

India. He strongly believed that the rudimentary system should be formatted with a complete practical approach and has to be inclusive giving everyone an equal opportunity for higher studies.

The result of his dream has been the emergence of one of the most sought after educational institutions in the country today – The Garden City Group of Institutions. As its Founder Chairman the group has crossed several milestones surging ahead aligning with his signature line of creating Dreamers, Achievers and Winners in each of these institutions. His passion for education can be seen at all his institutions which have created a niche for themselves in not being elementary learning centres. His emphasis is always to create individuals with practical thinking. He has inspired several thousand students from across the globe who have been nurtured under the banner of the Garden City Group of Institutions.

The group presently comprises of:

Garden City College of Science and Management Studies at Sannathamanahalli, Bangalore-49

Garden City College of Physiotherapy at Vidyanagar, Bangalore – 560036

Garden City Foundation Pvt Ltd at Indiranagar, Bangalore – 560038

Garden City University headquartered in Bangalore

Devamatha Central School, Banaswadi, Bangalore- 560043

Devamatha Central School, Vidyaranyapura, Bangalore- 560097

The avenues for an average aspirant of today desiring to pursue higher education in India are multifold. Aspirants have to choose from among State run Universities, Central Universities, Deemed to be Universities, Autonomous Institutions and State Private Universities.

Each of the options cited above has its due strengths and weakness although each route takes an aspirant to the same destination which is to obtain a degree that is recognized both in India and the world over. Although India produces the highest number of intellectual capital, it has one of the lowest Gross Enrolment Ratio (GER) in Higher Education among the BRIC nations. Now with the Government taking the stand of reaching 30 per cent GER by 2020, the requirement of Indian Universities stands at 1900 from the existing 800. India needs Universities in large numbers and the Government although has increased the expenditure on education, will not be able to meet the target unless quality State Private Universities take the lead and responsibility.

Garden City University is one such University established under the Karnataka State Act 47 of 2013 which will re-shape the Education scenario in India by enhancing the learning avenues and building a robust dissemination of education. The main object of Garden City University is to support, promote and undertake advancement of an innovation in University Education leading up to and including Post Graduate, Doctoral and Post-doctoral courses in Technical, Health, Management, Life Sciences, Agriculture, Law and allied sectors and make provisions for research, advancement and dissemination of knowledge including consultancy in these fields.

The Garden City University will be the part of a larger ecosystem in order to find better placements and hence a host of activities and projects surrounding the University will supplement the professional growth of its students. The Garden City Township that houses the University is a pride project of East Bangalore.

ACADEMIC INFORMATION - SCHOOLS/DEPARTMENTS

SCHOOL OF SCIENCES

"Demystifying the niche of organisms"

Life Sciences, the flagship department under the school of Sciences was established in the year 1995 with the objective of ensuring practical training in nurturing the application of scientific knowledge. The School imparts leadership qualities with moral ethical values and self-motivation. With an infrastructure that facilitates advanced scientific and technological research, the School of Sciences proves to be one of the premier Schools of Garden City University.

The quest for practical knowledge is bridged by an array of subject experts who are carefully selected from across the globe and the industry. The School has endorsements from various associations such as The Indian Science Congress Association, Mycological Society of India, International Solid Waste Association, Association of Food Scientist and Technologist, Association of Biotechnology Led Enterprises, The Bio-Tech Research Society – India, to name a few.

With top recruiters from the industry such as BIOCON, Syngene, Reliance Life Sciences, Cognizant, Indegene, Jubilant Biosys, Thermo Fisher, Agilent, Quintiles, Cipla, Dr Reddy's Lab, Ranbaxy, Glaxo Smith Kline, Novartis, British Biologicals, Monsanto, Merck Millipore, Indo-American Hybrid Seeds, Nestle, Agro-Parle etc., the students start their career with the finest of the companies present in the country and abroad. Currently, the School's target is towards mobilizing highly competitive research and extension project grants from various agencies. This is done with the sole purpose of making a GCU graduate, industry-ready and facilitating a smooth transition from Campus to Corporate.

The School's aim in the near future is to be a hub for leading research-oriented organizations and start-ups, who could avail the expertise and services from our laboratories and Nano-Technology Center. This would allow the School to function as an eco-system for the corporates and the students, wherein both the parties are benefited mutually.

The highlights of this School are:

1. Nano-Technology Advanced Research Center

2. Curriculum designed with industrial relevance for best career opportunities

3. Inter-disciplinary certificate courses with proficiency level

4. Projects related to Life Sciences techniques applied in industries

5. Variety of elective subjects under discipline specific elective programs

6. Project proposal submission for governmental funding authorities

Upon completion of the program, students can opt for career choices such as a quality control analyst, clinical research, DNA – fingerprinting, medical coding, pharmaceuticals, distillers, bio-informatics, Bio-remediation technologies, Epidemiologist etc.

Under Graduate

Courses (3 Years)

BSc Biotechnology, Biochemistry, Genetics

BSc Biotechnology (Hons)

Eligibility Criteria: Pass in 10+2/ equivalent with Chemistry & Biology

Post Graduate Courses (2 Years)
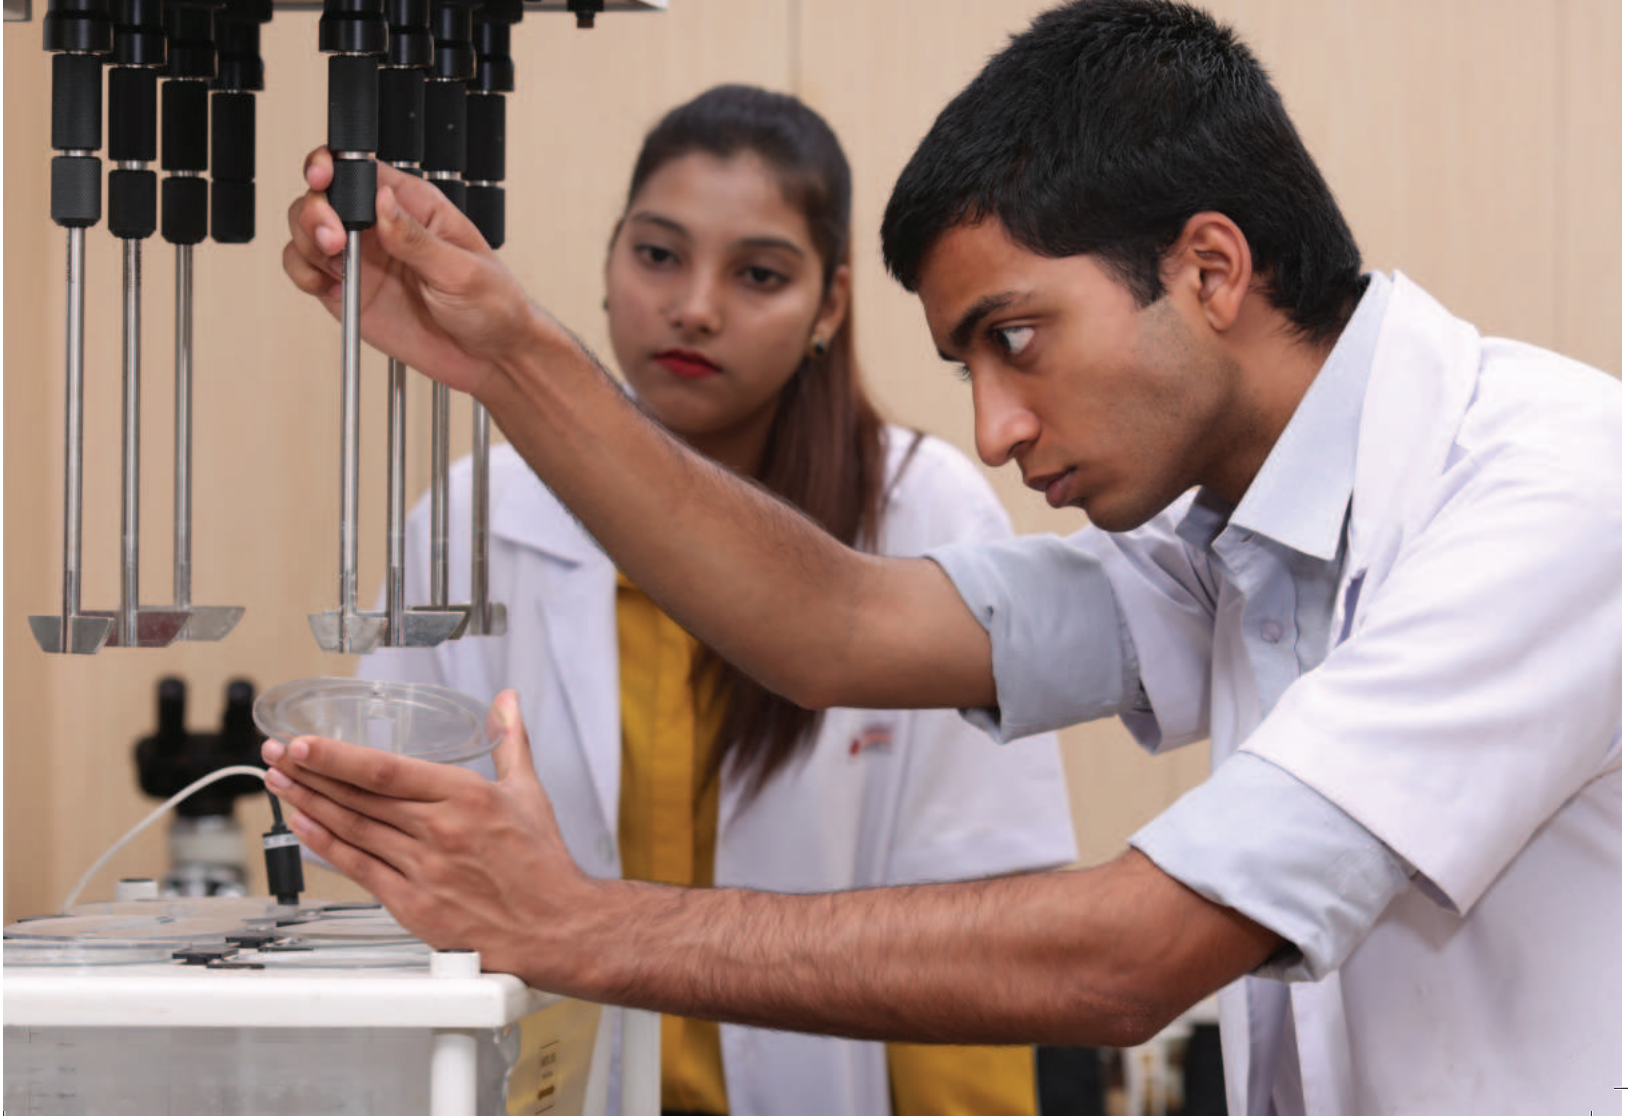

MSc Biotechnology

MSc Microbiology

Eligibility Criteria: Graduation with 50 % marks or above including Chemistry or Biochemistry and any other two subjects of Life Sciences

Research:

Ph.D. in Biotechnology, Biochemistry, Genetics, Microbiology

Eligibility Criteria: 55% minimum in Post Graduate in the relevant field or subject

SCHOOL OF COMMERCE AND MANAGEMENT

"Creating the managers who can lead"

The Departments of Commerce and Management Studies under the School of Commerce and Management was established in the year 1994. It is designed to impart knowledge to students the skills necessary to perform leadership roles in the business and corporate world. The Department of Commerce and Management is one of the largest and oldest department in the University and believes in developing and nurturing management students to global competencies through strong foundation and quality education through continuous innovations in the curriculum. The School offers Bachelors and Masters program in Commerce and Management. It also provides professional program of US- CMA to the B.Com Honors students. The School also provides an embedded programme in B.Com, wherein the qualifying papers for ICAI, ACCA and CGMA are incorporated in the regular curriculum as a core paper, enabling the students to go for any one of the above mentioned certification. The infrastructure facility that the School has includes the classrooms equipped with ICT facilities, Business Development Labs, Entrepreneurship Development Cells, industry integrated computer laboratories, etc.

The Subject experts comprise of academicians and industry experts who engage with the students in imparting knowledge via role-plays, case studies, movie case studies, business plan competition, peer learning and teaching, event management, live projects etc. The School has various MOUs & Associations with the industry bodies such as US-CMA, Confederation of Indian Industry, All India Management Association, Tata Consultancy Services, Techno park Trivandrum, Infosys- Campus Connect, Career Launcher, etc. Industry Giants such as TCS, Aditya Birla, IBM, KPMG, Goldman Sachs, Deloitte, Ernst & Young, HSBC, American Express, Citibank, Deutsche Bank, Wipro, L&T InfoTech, and Accenture are regular visitors who participate in the recruitment drive for the students of Management & Commerce.

Some of the funded projects, which the students & staff of the School have undertaken are:

1. Philips – The Big Leap Challenge (Winners at PAN India Level)
2. Market Research for Onion insights (Shoppers Stop)
3. We Chat Market Study Program
4. Independent Research on Business Venture by Inmates of Pujapura Central Jail –Trivandrum

The School witnesses the highest number of placements. Industry Giants such as TCS, Aditya Birla, IBM, KPMG, Goldman Sachs, Deloitte, Ernst & Young, HSBC, American Express, Citibank, Deutsche Bank, Wipro, L&T Infotech and Accenture are our regular visitors who participate in the recruitment drive for the students of management & commerce.

The future plans that the School wishes to embark upon are:

1. Procure funding for projects from various agencies
2. Establish Centre for Excellence in association with Corporate Houses
3. Provide on-campus internships

The highlights of School includes:

1. Contemporary curriculum every year & two mandatory certificate courses from a different discipline
2. Simulation-based learning environment along with industry based micro project at the end of each semester

3. Leadership Module in association with organizations of world repute

4. GCU Exclusive – Budget Express (Pre & Post India Union Budget Symposium)

5. Certifications in professional programs Tally, Advanced Excel, SAP

6. Retail Analytics Certification Course offered by Tata Consultancy Services

7. Industry Integrated Co-branded program with IBM

Upon completion of the program, students can opt for career choice in the field of Accounts, Financial Planning Management, Market Analyst, Business Development Manager, Strategic Account Executive, HR Executive, Administrator, Recruiter, Business Solutions Developer, Data Analyst etc.

Under Graduate Courses (3 Years)

B.Com (Hons)

BBA

BBA with specialization in Business Analytics in association with IBM

Eligibility Criteria: Pass in 10+2 or equivalent

Post Graduate Courses (2 Years)

MBA (International Business/Marketing/Human Resource/Finance/Information Technology)

MBA (Dual Specialisation)

Eligibility Criteria: Graduation with 50% aggregate marks or above

Research

Ph.D in Commerce and Management

Eligibility Criteria: 55% minimum in Post Graduation in the relevant field or subject

SCHOOL OF COMPUTATIONAL SCIENCES AND INFORMATION TECHNOLOGY

"One click to explore the world of technology"

The department of Computer Sciences established in the year 1995, now a part of The School of Computational Sciences and Information Technology aims at imparting quality education, thereby producing quality professionals, holding key positions in Information Technology industry in India and abroad. The strength of its infrastructural set-up is established from the fact that it adopts innovative teaching methods to improve student learning. Some of them are Webinars, Online Teaching (Moodle, MOOC), simulated software, live projects etc.

The Subject experts comprise of academicians and experts from the IT industry who mentor the students and facilitate in bridging the gap between the industry and the University by incorporating the latest developments into the curriculum.

The School has associations with various bodies such as Computer Society of India, Indian Society for Technical Education, Indian Society for Training and Development etc. It also has MoUs with leading companies such as Infosys, IGATE, Maruwa Malaysia, IBM etc.

Some of the projects funded by external agencies include:

- Networking Formations Sale - ExpentSO Technology, Abidjan

- Networking - Ganame Technologies, Ouagadougou

- IT Token System - HAL, India

Improving Utilization of infrastructure clouds - Optime Info Services Pvt Ltd

The highlights of the School include:

- Most recent technologies included in syllabus

- Mini-Projects to develop professional programming skills

- Embedded grooming of professionals aimed at better placement

The future plans of the School are:

- To establish industry / academic interactions and collaborations with Regional / state level / national / international organizations

- To create and provide better opportunities for faculty and students to engage in professional consultancy services to the public sectors, governments as well as multinational sectors

- To promote student exchange program with foreign universities and Corporate

Offering one of the most lucrative placement packages, our students are placed with companies such as TCS, EMC2, Dell, Infosys, Accenture, IBM, Intel, Wipro, HP, HCL, IGATE, Oracle, Microsoft, Google, Tally, Deloitte etc.

Upon completion of the program, students can opt for career choices such as Software Engineer, Software Programr, Software Developer, Software Consultant, Network Engineer, Database Administrator, Test Engineer, Software Testing, Software Architects, Cloud Consultants etc.

Under Graduate Courses (3 Years)

BCA – Bachelor of Computer Applications

BSc IT – Information Technology

Eligibility Criteria: Pass in 10+2 or equivalent

Post Graduate Courses (2 Years)

MCA – Master of Computer Applications

Eligibility Criteria: Graduates with 50 % aggregate marks or above and having studied Mathematics at 10+2 or Graduation level

Research

Ph.D in Computational Sciences and Information Technology

Eligibility Criteria: 55% minimum in Post Graduation in the relevant field or subject

SCHOOL OF INDIAN AND FOREIGN LANGUAGES

"Edification through the art of linguistics"

The School of Languages was established in the year 1994. It also functions as a supporting School to all the other Schools of the University. The program aims to introduce a wide range of Literatures in English and other Foreign Languages. At a primary level, this program aims to offer an opportunity to the students to read and respond to a large spectrum of novels, plays, and poetry with associated genres. At a secondary level, the students will be exposed to wider socio-cultural and political issues in relation to contemporary literature. Intensive programs at the under-graduate level would serve as an excellent foundation for students who want to pursue an in-depth study.

Having a vast infrastructure, set-up in the form of libraries and e-libraries with thousands of books and novels to refer from, language labs to give practical exposure to students in acquiring language skills etc., students make the best use of these facilities in their learning process.

With vast experience in the academic field, the subject experts carefully monitor the engagement of the students by incorporating the joy of learning component. This includes conducting Literature festivals, Conferences, Street Plays, Theatre, Literature Week etc.

The School has associations with various bodies such as the British Council, English Language Teachers Association of India, British Library, etc. The students are placed with companies such as Macmillan, IBM, Biocon, Infosys in the field of content writing. For print media, Times of India, Deccan Herald, The Indian Express are some of the prominent recruiters.

Students opt for either joining the industry in the above-mentioned fields or pursue their higher education, opting for Ph.D., followed by teaching in prestigious institutions across the world.

The future plans of the School include taking up more translation projects, conducting major and minor projects in creative and technical writing, establishing translation hubs for foreign languages etc.

Under Graduate Courses (3 Years)

BA English (Hons)

Eligibility Criteria: Pass in 10 + 2 or equivalent

Post Graduate Courses (2 years)

MA English

Eligibility Criteria: Graduation with 50% marks or above

Research

Ph.D in Indian and Foreign Languages

Eligibility Criteria: 55% minimum in Post Graduation in the relevant field or subject

SCHOOL OF MEDIA STUDIES
"Unleashing the essence of fourth estate"

The department of Journalism and Mass Communication under The School of Media Studies was established in the year 1997. The School aims at equipping the students with knowledge in handling the latest technological advancements in media, with a balanced curriculum that challenges students to confront contemporary issues in media theory, research, policy, planning and management. An optimum balance is maintained between theory and practice.

It has one of the most progressive infrastructure at a University-Level in which the students are given hands-on experience through the in-house monthly magazine (Campus Chat formerly GCC World) Weekly news-letter (Campus ELAN), Campus radio, and Campus TV. Substantial man-hours are spent on laying a strong foundation for different kinds of media, like print, electronic (T V production) and new media along with exposure to advertising, public relations, technical writing, content writing, event management.

With the backing of subject experts having an enormous research background coupled with industry experience, The School of Media Studies is one of the liveliest School at the University with student journalists covering all the events inside the University.

The highlights of the School includes practically oriented learning methodology through infrastructural facilities mentioned above, thereby facilitating learning by doing. The School engages its students in conducting film festivals, which witnesses many National Award Winners in attendance. The studios are fully equipped with the latest technologies and the students themselves operate each of them.

The students of media studies are placed with companies such as NDTV, ZEE TV, CNN IBN, News-X, Times of India, Deccan Herald, The Indian Express, Mudra Group, Ogilvy & Mather, Oysters Advertising,

etc. The plans of the School include undertaking Corporate Film Making for various companies, Documentary Studies, instituting short-term course on filmmaking etc.

Post Graduate Courses (2 Years)

MA Journalism & Mass Communication

M.Sc Electronic Media

Eligibility Criteria: Graduation with 50% aggregate marks or above

Research

Ph.D in Media Studies

Eligibility Criteria: 55 % minimum in Post Graduation in the relevant field or subject

SCHOOL OF PROFESSIONAL STUDIES
"The professionals for guiding a better tomorrow"

The School of Professional Studies is an amalgamation of various departments such as Hotel Management, Tourism and Fashion & Apparel Designing which was established in the year 1994. The Department of Hospitality Management and Catering Technology aims at honing various skills of industrial standards in the different verticals of specialization that it offers such as Front Office, Food & Beverage - Production and Service, Housekeeping and Marketing. The Department of Tourism focuses on imparting modern management techniques for handling tourism operations in a highly dynamic and competitive environment. The Department of Fashion and Apparel Design encourages the creative flair of those minds who think to possess a sense of style, endeavoring earnestly towards its commitment to bring quality improvement for all the stake-holders.

The department of Hotel Management has Basic and Advanced Training Kitchen, Restaurants, Suite Rooms, modelled on the line of five star hotels. This gives students of Hotel Management, the initial exposure to understand the functioning of the hotel industry. Software like Amadeus and Galileo under the Department of Tourism allow students to gain real-time knowledge of computer reservation systems for various services. Along with this, the in-house travel desk wing of a leading travel agency in Bangalore is a platform for students to intern and gain insights into the real working environment. The Department of Fashion & Apparel design provide lab setups such as Pattern Making and Garment Construction, Fashion Sewing Technology, Textile Testing, Colour Processing, CAD/CAM etc.

The Hotel Management Department has associations with various bodies such as the Indian Hotel and Restaurants Association, Indian Culinary Association. The Department of Tourism has associations with bodies such as IATA and Travel Agents Association of India.

The hotel management graduates are placed with companies such as The Ritz-Carlton, Shangri la, Taj Hotels Resorts and Palaces, The Oberoi, Hilton Hotel and Resorts, ITC Hotels, The Leela Palace, Park Plaza, Sarovar Hotel & Resorts etc. The students of Tourism are placed with GlobeGround India, Air India, Air France, Jet Airways, Lufthansa, SOTC, Thomas Cook, Cox & Kings, KUONI, etc. The Students of Fashion & Apparel Design are placed with Myntra.Com, Aditya Birla, Tesco, Arvind Lifestyles, Gokaldas Images, Scottish lace etc.

Eligibility Criteria: 55% minimum in Post Graduation in the relevant field or subject

SCHOOL OF HEALTH SCIENCES

"Curing health for our Wellbeing"

The School of Health Sciences comprises of the Department of Physiotherapy which is the first in Bangalore. The School aims at providing excellence, leadership, and innovation in education, research and clinical practice in physiotherapy through dedicated academic, clinical and professional collaborative programs. The core mission is to create health-care professionals who contribute to health and well-being globally through the discovery of new knowledge and creativity.

The department's infrastructure consists of well-dedicated labs such as Exercise Therapy, Electro Therapy, Physiology Labs, Anatomy Labs, etc. The department has tie-ups with NABH (National Accreditation Board of Hospital and Health) accredited hospitals such as Narayana Multi-Speciality Hospital, Columbia Asia etc. The School of Health Sciences has also associated with many socially active NGO's such as Association of People with Disabilities, Karunashraya, etc. to provide the students a wide exposure to hospice and palliative care to the ailing patients, which is an area of health, dedicated to serve the people at their terminal stage of life. The Department of Physiotherapy runs the physiotherapy division at the Hoskote Mission Hospital, Bangalore.

Dedicated subject experts are available with industry exposure of over 15 – 20 years holding specializations in different branches of physiotherapy and rehabilitation, which includes Neuro-Paediatrics, Orthopaedics and Sports, Cardio-Pulmonary, Neuro-Physiotherapy and fitness & sports.

Currently, our students are placed in various organizations such as Fortis Hospitals, Manipal Hospitals, Columbia Asia, St. Marthas, Narayana Multi-Speciality Hospitals and various other health organization such as Quintiles, Cognizant (Contract Research Organisation Branch), dedicated to the field of clinical research.

The future plans of the School of Health Sciences include starting up of a dedicated hospital, R&D Labs
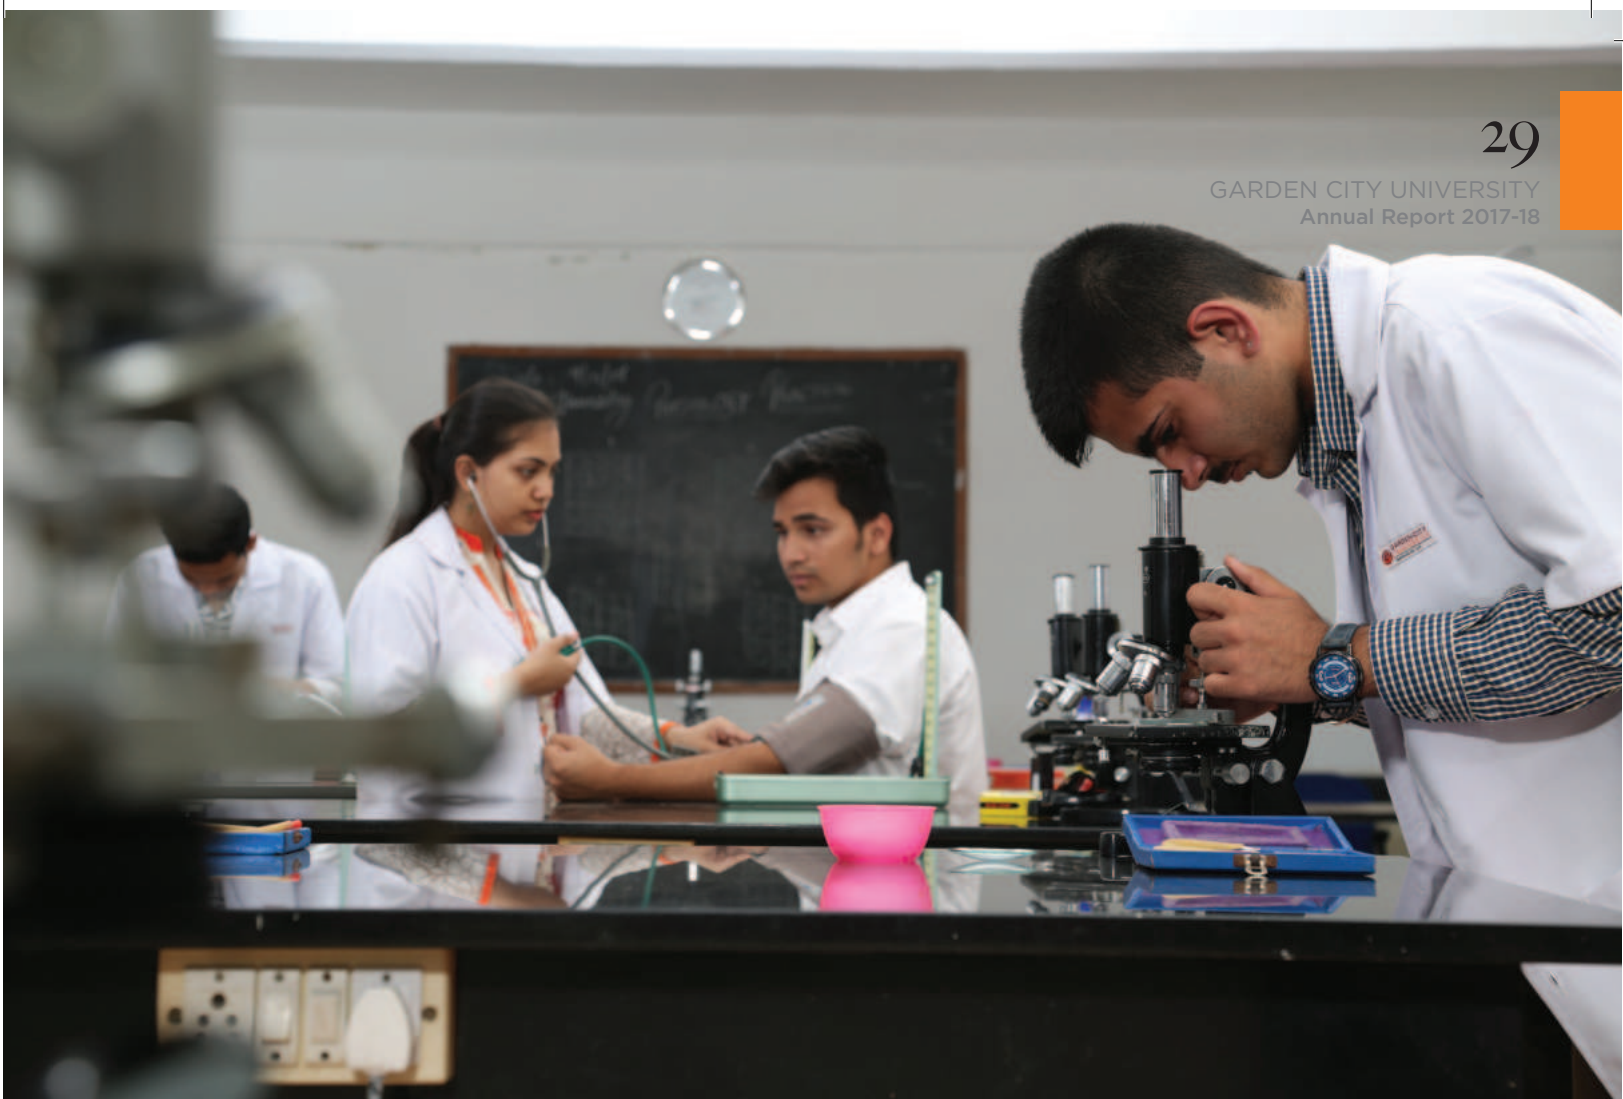

to nurture and shape dedicated health professionals who are willing to pursue their career in health research for the betterment of society.

Under Graduate Courses

BPT – Bachelors in Physiotherapy (4 Years 6 Months)

Eligibility Criteria: Pass in 10 + 2 or equivalent with combination of English, Physics, Chemistry & Biology

Post Graduate Courses (2 Years)

MPT – Masters in Physiotherapy

Eligibility Criteria: BPT with 50 % marks or above

Research

Ph.D in Health Sciences

Eligibility Criteria: 55% minimum in Post Graduation in the relevant field or subject

SCHOOL OF SOCIAL SCIENCES
"Exploring our Cognitive impression"

The School of Social Sciences at Garden City University housing the Department of Psychology, commenced in the year 1994. The aim of this School is to devote itself in expanding the horizons and to educate students about thought processes, behaviour and emotion. In view of this, the School of Social Sciences is dedicated to constructing an environment that encourages diversity of backgrounds and perspectives.

The students are trained in philosophy, methods, and ethics of scientific enquiry; enable the understanding of the young minds to widen the scope of scientific knowledge about Psychology. The infrastructure comprises of Psychology laboratories for testing and experimentation, counseling centers, ICT-enabled classrooms, well-stocked Libraries, subscription to journal databases, e-journals etc.

The subject experts comprise of individuals having in-depth knowledge of applications of the psychological theories in the current societal settings. They engage the students in understanding the concepts with practical demonstrations. The School has associations with bodies such as the Indian Association of Clinical Psychologists that helps the researchers to avail knowledge of the developments and current practices in the field of Psychology.

Upon completion of the course, students can opt for careers in the field of Clinical Psychology, Industrial Psychology, Abnormal Psychology, Criminal Psychology, Positive Psychology, Counselling, Teaching etc.

Our graduates are placed with NIMHANS, Quintiles, Cognizant, Manipal Hospitals, Apollo Hospitals, etc.

FACILITIES

After the completion of graduation a student can choose any employability routes out of several options. A student can either continue higher studies through post-graduation or integrated M.Sc-Ph.D. programmes or they can seek jobs specifically in the R&D sector. A graduate student can establish career options by applying for academic vacancies or the graduates can also opt for IP research domain. To flourish in a prospective career a student can also opt for starting up an organization by gearing the entrepreneurial skills.

Salient features of the Academic Programmes:

1. Eco-Friendly Campus and beautiful landscaping
2. Economical Fee Structure
3. Unique Academic Programmes with high job potential
4. Tutorials, Assignments, Case Studies, Seminars
5. Qualified and Experienced Faculty
6. Semester System
7. Choice Based Credit System (CBCS) with Credit Transfer Grading System
8. Continuous Internal Evaluation and End Semester Examination
9. National and International Collaborations
10. Regular Feedback from the students taken for continuous improvement
11. Technology enabled Teaching Methodology
12. Excellent Laboratories and Smart Class Rooms
13. Organising Special Lectures and Workshops
14. Internet with Wi-Fi Connectivity
15. Excellent Library
16. Leading National and International Journals

University Facilities:

1. Well Furnished Buildings
2. Spacious Auditorium
3. Computer Laboratories with Internet Connectivity
4. Video Conference Facilities
5. Well Equipped Laboratories
6. Separate Girls and Boys Hostel
7. Media Laboratory
8. Sports/Games Facility housing Futsal synthetic ground, Badminton court, Basketball, Football and Cricket stadium
9. Separate Gym Facilities for Girls and Boys
10. Canteen and Mess Facilities
11. Transport Facilities
12. Medical Facilities with 24x7 Ambulance
13. Bank with ATM facility

What we do

- Assist all students and graduates in the college in their pursuit of employment and career advancement in education and related professions

- Assist all employers seeking employees in Management studies, Commerce, Computer Science, Life Sciences, Media and other professions

- The Placement Directorate of the University offers a variety of services designed to assist students in exploring careers, preparing for the job search and applying for (or being referred from this office) Professional employment. These services are available to all the students and alumni of the University

- For students who have registered with the placement cell and desirous of getting placed, placement cell essentially strives to get employment to as many students as possible before they leave the portals of the college

- The Placement Cell prepares the student to face employment market with skills such as

  - Personality development

  - Communication skills

  - Leadership and team work

  - Updated knowledge in latest development in Science and Technology, Commerce and Management, Hospitality & Tourism, Media and Communication, etc.

CONSULTANCY & INDUSTRIAL COLLABORATIONS

The Placement Directorate at Garden City University provides proficient recruitment consultancy to all the students in the professional fields. Tracing down the legacy of our oldest school of science & management studies, the talent acquisition policies for the students are relevant and an applicant can develop skill sets to get employed. The Placement & Training Cell promotes implementation of relevant & contemporary knowledge, enhancement of communication skills, leadership qualities, which helps a student to achieve the desired goal.

The list of the corporate sectors where the students are recruited are on our website www.gardencity.university

HOSTEL

Meet the world @ Garden City University, Hostels with students from 80 different countries. - Single accommodation with A/C and Refrigerator

Find out more on our website, you will find the most up-to-date information regarding cost for the different types of accommodation and special requirements. Visit www.gardencity.university/services-and-support

SPORTS

At Garden City University we play a mentor to our students with a vision to help their body, soul and mind grow in perfect harmony. There is no point discussing the role sports play in achieving the same but what's frightening is the increasing absence of the love for sports among this generation.

The internet and its easy access have revolutionized life. Then, it has also chained ourselves, specifically our children, to mobile phones, social media and online games. As a sensitive and a socially responsible organization we want the situation to change. At Garden City University, we believe if we wish to see a change in the world, we should not wait it to happen but try to bring it from our campus itself.

From a cricket ground to a basketball ground to a fully equipped gym to a football ground, the University today is truly a playground of almost all sorts of sporting activities. Instead of studying and staying at the indoors, we want our students to come out, sweat it out, engage in contact sports, go back with an injury and come back next day to the field more inspired.

Let the game begin. Let the change begin.

1. GAMES FACILITIES AND MEASUREMENT

1. Athletic Ground   200 meters.
2. Football Ground   110 x 65 meters.
3. Futsal Playing Area   30.60 x 18.50*6
   meters.
4. Playing Ground   27.90 x 17.50*6

MEDICAL FACILITIES

FOOD COURT

The medical desk at the campus is well stocked with medications for immediate primary medical aid to the students. Doctors are available on call. An ambulance is stationed on the campus and is on service 24x7. Health check-up and awareness programmes, blood donation camps, medical service & social camps are regularly organized in association with leading hospitals.

At GCU, the food is succulent, tasty, nutritious and easy on the pocket too. The cuisine offered is both Indian and global in variety. The Indian spread spans North to South and East to West. The mall styled food court of the campus is very convenient when you want to grab a quick bite. Leading brands like Indian Coffee House, Water falls and many more is a welcome to foodies!

CENTRAL KITCHEN & DINING HALL

BUS FACILITIES

GCU believes that healthy food treats healthy minds. Sourcing certified ingredients from the best of the vendors is the key to preparing good food. Prepared in the most hygienic conditions every meal is served piping hot at the students dining hall. The hall is itself well laid out and helps one to keep the best dining etiquettes. The entry to the dining hall is with access controlled cards.

A fleet of buses with the best of safety features ferry students and faculty members from around the city connecting key interchange areas.

MODE OF ADMISSION

FLOW OF ADMISSION

- Filling of enrolment application form
- Payment of enrolment fees

EXAMINATION & EVALUATION

End Semester Examination (ESE)

- Assessment – Continuous Internal Assessment (CIA)+End Semester Examination (ESE)–40%+60%

- The duration of the ESE varies based on the number of credits of the course. For a 4-credit course the ESE is for 2 hours. For a 3-credit course the ESE is for 1 ½ hours and for a 2-credit course it is for one hour.

- The question papers are generated through an automated system.

- Pre-preparation of question bank reviewed by internal as well as external experts.

- Every question paper has a bar code on the top right-hand corner. The question papers carry a barcode indicating the course type.

- For courses that are common to all the programmes different types of question papers (A, B, C) are generated to avoid malpractice.

- Check points and security features in the system:

The system is designed in such a way that it permits the generation of question papers of only those courses that have an examination on that day. As such there cannot be a pre-printing of the question paper.

Every question paper carries a unique bar code that is linked to the subject code.

There is an OTP created during generating the question paper, the OTP is received by the Controller of Examinations through mail and the paper can be viewed only by providing the right OTP.

The question papers can be printed only in the access monitored printer attached to the given system.

The question papers are printed on papers that carry a security feature.

The question papers generated and printed are then distributed room wise in various packets and sealed before taking it out of the control room.

- The answer booklets are designed such that they do not carry the register number of the student, instead there is a unique bar code which each answer booklet carries and this unique bar code is linked to the student register number, the semester, the programme and the course.

- Registration for examination is online and the hall tickets are also generated online through the GCU student portal.

- The hall tickets are linked to the attendance as well as the CIA, thus the students who fail to secure the required attendance and CIA will not be able to print their hall tickets.

- The hall tickets carry a bar code which is scanned during their entry into the examination hall. This bar code is linked to the student register number and the photo. Students who are not eligible are denied access in to the examination hall.

- The seating positions of each student is marked by a seat number instead of the register number. A seat matrix paste at the entrance of the examination venue helps the student identify the seat number they are tagged to.

- The students are required to be in the examination hall 30 minutes prior to the commencement of the examination. Students are strictly prohibited entry if they are late.

- Once in the examination hall the first 30 minutes is used to distribute the answer booklets, take the signature of the student in the room supervisor diary. The question papers are distributed 10 minutes prior to the commencement of the examination, the students are given a 10 minutes reading time.

- Students are expected to remain in the examination hall till the completion of the examination and are not permitted to leave earlier.

- The entire process of examination is under surveillance, and a team of squad members constantly monitor the process.

- The university has established a University Malpractices Lapses Enquiry Committee (GCU UMLEC –University Malpractices & Lapses Enquiry Committee) that would check on all the malpractice cases.

- End Semester Examination for a few courses is online (MCQ) type as well as practical performance based.

Eligibility criteria to appear for ESE

- Eligibility to appear for ESE – 75% attendance + minimum 50% in CIA

ESE Evaluation Procedure
GCU Board of Evaluation (BoE):

- The BoE is responsible to conduct the centralized evaluation process. The board conducts two types of evaluations: Written exam and Online evaluation.
- Evaluation of Online examination: The SEC papers such as Speaking Kannada, Use cases of predictive analytics examinations are conducted online and the evaluation is also done automatically.
- Evaluation of written examination process:

- The first steps starts with the appointment of examiners for each semester which shall be made and confirmed before 30 days of the commencement of the examination for both theory and practical. The list of examiners and reviewers are prepared and handed over to board of evaluation for the conduct of centralized valuation.
- In case of UG – The list of internal evaluator and the reviewer will be handed over to BoE.
- In case of PG – The list of internal evaluator and external evaluator will be handed over to BoE.
- In case of practical and Viva voce examination - The list of internal evaluator and external evaluator will be handed over to BoE.
- Online examination – Computerized evaluation is integrated into the system.

The process of Online examination

Eligibilty → Hall ticket → Unique Password → Secured system of Online exam → Completion of Online exam → Automated Evaluation → Generation of Marks
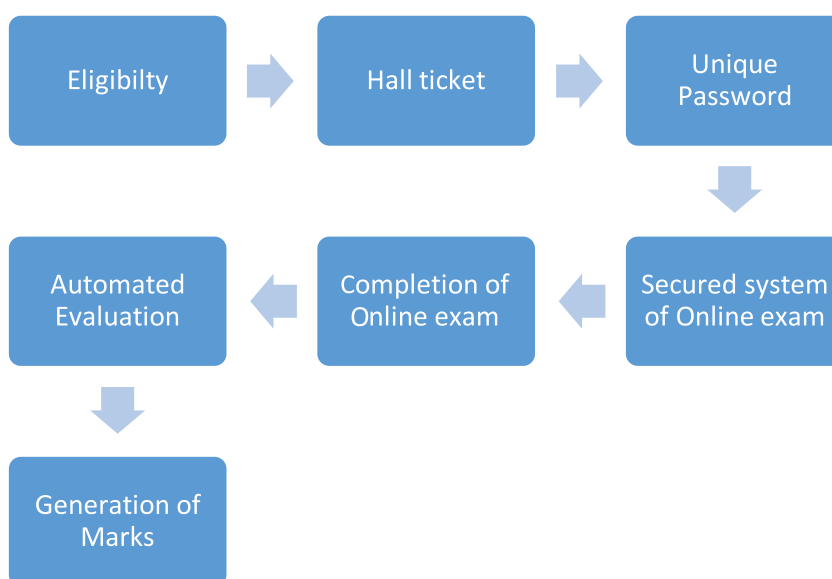

The evaluation process of Written examination (UG – Internal Evaluator)

Eligbility → Hall ticket → Written Exam → Masking the Booklet No. → Evaluation → Review & Total check → Scanning Marks → Verification of scanned marks → Automated result (CIA+ESE)
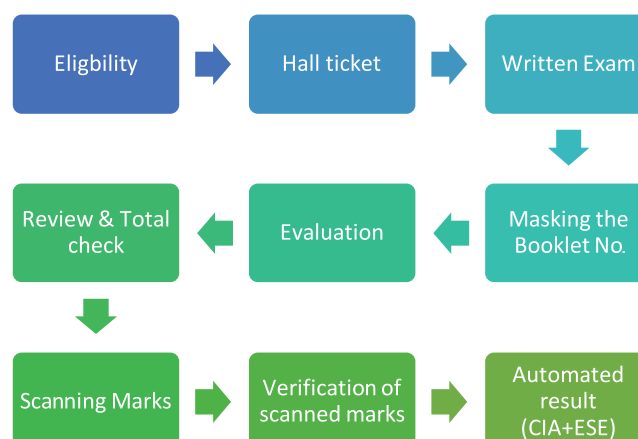

The evaluation process of Written examination (PG – Dual Evaluation)

| Eligbility | → | Hall ticket | → | Written Exam | → | Masking the Booklet No. |

↓

| Scanning Marks (Internal and External) | ← | Third Valuation (Difference more than 15) | ← | Evaluation - External | ← | Evaluation - Internal |

↓

| Verification of scanned marks | → | Automated result (CIA+ESE) |
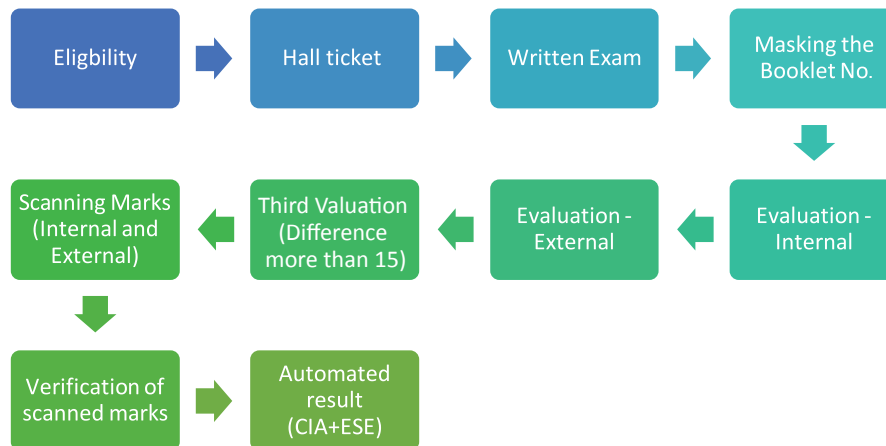

- The board of evaluation will receive the answer scripts on session basis from the board of examination and the scripts are recoded with random barcode numbers. After recoding the answer scripts are ready for evaluation.
- The examiner/Evaluator and reviewer will jointly prepare the answer key and has to submit the same to the board of evaluation before they start the evaluation.

- The answer scripts are evaluated by the Examiner/ Evaluator and then reviewed by the reviewer. The reviewer values the 20% of the answer scripts and will check the total of all the scripts.
- The marks will be entered in the portal by the evaluator, and the entered marks will be duly verified by the Custodian of the evaluation.
- On completion of entire evaluation, the results will be published in the GCU portal.

Norms of Revaluation (2018)

- Revaluation norms as created by the Office of Controller of Examinations, Garden City University is as per the standards of the University Academic Evaluation Standards and any decision considered by the Garden City University Evaluation & Assessment Committee will stand as final statement (duly signed by the Registrar, Garden City University).
- The student should remit the revaluation fee of Seven hundred and fifty rupees only for individual course/paper through online. This is to inform the student that a receipt no. will be generated once the online payment is accepted.
- If the marks awarded by the revaluation committee has an enhancement of 20% from the original marks secured by the student, the revaluation fee will be refunded.
- In case, if there is no change in the marks secured after the revaluation it will be communicated to student as 'No Change in Marks Obtained'.

- The student should abide by the norms prescribed under the revaluation committee and should accept the revised marks as per the below mentioned categories:
  a) there can be "NO CHANGE IN MARKS OBTAINED"
  b) there can be "ENHANCEMENT IN MARKS OBTAINED"
  c) there can be "DECREASE IN MARKS OBTAINED"
- If there is no change in marks post the revaluation process, the marks obtained by the student in the previous assessment will only be considered and there will be no further changes accepted. The student should select the courses in which you seek revaluation very carefully. There will be no second chance to apply for revaluation for any additional courses/papers. The result announced by the evaluation committee is final.
- The change in marks (if any) shall be conveyed to student through the students' portal only.
- The student should abide by the final marks statement.

Revaluation Portal

University Malpractices Lapses Enquiry Committee

The University has constituted a University Malpractices Lapses Enquiry Committee (UMLEC) to investigate malpractices during examination process. The committee has constituted a frisking and squad team who looks in to the malpractices during conduct of examination. The frisking team would check on the students before entry in to the examination hall for possession of any material for copying. The squad team pays surprise visits to the class to check for malpractice and also continuously monitor the process through CCTV installed in all the venue.

End semester examinations for the I semester UG programmes was conducted from 4th to 9th December and for PG programmes from 10th to 18th January 2018.

Cases of attempt to malpractice

Students were found trying to discuss amongst their peer, such students were warned and advised not to repeat the same.

Students are not permitted to write their register numbers anywhere in the answer scripts and if done so it is considered as malpractice. Students who were found to have written the register numbers were:

6th December – 17BHMR121

6th December – 17BAJR104

7th December – 17BHMR121

7th December – 17BAJR104

The room supervisors brought it to the notice of the COE and the students were presented to the UMLEC who have advised the students and an undertaking taken not to repeat the same in future.

EXTRA AND CO-CURRICULAR ACTIVITIES

GCU CREATE - Culture, Region, Evolution and Tradition in Education

The regional days are celebrated by GCU Students to showcase their Indian and foreign culture, ethnicity and tradition through cultural events, dressing and cuisine. You get to share cultural characteristics and tradition with fellow Gardenians. The GCU campus turns into a Mini-World full of vibrant colours, style, grace and beauty.

MEDIA CLUB

Be a reporter, Radio Jockey, TV anchor. Explore Campus World – the monthly magazine, The élan – the weekly newspaper, Campus TV & Campus Radio.

THE ÉLAN

The campus newspaper provides students a platform not only to hone their reporting and writing skills, but also to prepare them for the professional world where meeting deadlines is the norm. This exercise helps them gain overall exposure and making them Industry ready.

CAMPUS TV & CAMPUS RADIO

A campus news bulletin called 'G NEWS' (Video) and 'Campus Radio News' are Student centric programs produced by Electronic Media Students of GCU. The students can participate in the video documenting of all the major events and programmes of the University such as seminars, workshops, conferences, meets and cultural events.

CAMPUS CHAT (Formerly GCC World)

Campus World is a monthly in-house magazine, which has an envious popularity to boast of. The magazine is entirely handled by the Students with active support from the faculty. Campus World is a step onto the path of creative enrichment and talent enhancement for the students. It is a matter of pride the students here that the circulation of Campus Chat has reached over 80 countries.

SCIENCE CLUB

The Science Club is coming together of young inquisitive minds. They try and go deeper into what makes things work and why they do as they do. The Science Club tries to kindle a burning desire to unravel the truth behind life and its forms in its own ways. The Club encourages minds to rationalize and inspires them to think and reason.

LITERARY CLUB

The literary talent which lies dormant within each student is given a platform to bloom at the Literary Club. The activities of this club involve creation of written material in its various forms such as short stories, serial stories, poetry, essays and articles. Competitions are held regularly and the best work is put up for public display. The club also introduces members to local celebrated writers and encourages members to submit their writings to local and national contests.

MANAGEMENT CLUB

This Club is for those who aspire to be leaders in the future. If the corporate ladder is what the students eyes are set on, then the Management Club will provide them with opportunities to equip themselves with qualities that would be a boost to their dreams. The Management Club organizes seminars on management and leadership skill development, workshops on how to be a better manager, discussions and debates on various topics. Speakers from corporate sectors are invited to deliver talks that would impart knowledge on the latest management techniques. The Management Club also brings out a newsletter 'The Edge' highlighting the latest trends in management techniques. All activities of the Management Club are driven with the objective of preparing members for a career overdrive and staying afloat even when the tide is not favorable.

FASHION AND ARTS CLUB

The artistically inclined have a platform here to exhibit and hone their talents. The University recognizes and honors their talents. The development of their inherent talent improves the overall personality of the student instilling in them self-confidence that goes a long way in their life. The Arts Club also provides opportunities to students to participate in inter-collegiate competitions and fests.

ADVENTURE CLUB

The Adventure Club of GCU is responsible for the adrenaline rush amongst the students and ensures that their limit of endurance is pushed to the extremes. The Adventure Club conducts trekking, mountaineering, rock climbing, river rafting and also parasailing in Bangalore and various parts of the country. The club identifies prospective and relevant places in different regions for mind blowing adventure activities.

THEATRE CLUB

The Theatre Club at GCU is where budding actors, actresses, script writers and directors find solace to quench their thirst for theatre. The club organizes workshops on theatre acting, directing and script writing where eminent theatre personalities are invited to share their experiences and knowledge with the students. The Club acts as a catalyst in building confidence among the students and also honing their talents.

NSS – NATIONAL SERVICE SCHEME

The University has an NSS unit operated by NSS Officers and Student volunteers. Social service activities such as Blood Donation Camps and Sapling planting amongst others are the major functions of NSS. Students conduct surveys in the nearby villages and promote health awareness. Regular health check camps are also arranged for the economically backward classes.

A report on the NSS activities of 2017-18:

The students of NSS participated in various activities during the academic year.

Pulse Polio Camp

The students of Garden City University participated in the pulse polio camp at Banaswadi in association with BBMP from 28th – 31st January and 11th – 14th March 2018. The students participated in the booth activity and continued with a survey of each and every house. Over 2000+ children were vaccinated during these days. Students of GCU played a novel role in creating awareness on Pulse polio.

Better Bengaluru

The students of NSS participated in the Idea Conclave for Better Bengaluru at Indian Institute of Science Bangalore on 13th and 14th October 2017. The ICBB 2017 is a thought provoking process for the sustainable Bengaluru transformation process by sharing research findings, experience and success stories from scientists, academicians, policy decision makers, development manager, environment activist, public intellectual, NGOs, RWAs, media, youth and students.

A presentation on Flash and Water Waste System was made by the students during the event.

Gerupura Village Status Report

The Government of Karnataka has come up with various useful schemes from time to time; these schemes provide for interventions to bridge the gap between the urban/rural divide and the rich and poor

1. Swachh Bharath/SBM
2. National Rural Employment Guarantee Act (NREGA)
3. Indira Awaza-H
4. Ambedkar Housing
5. Basava Vasathi
6. Ashraya Yojana
7. Bapuji Services – 100 Services
8. Street Lights

Innovative projects introduced by the Garden City University

1. Garden City University (GCU), Bengaluru has come up with a variety of projects to improve quality of learning and bring change guided by a variety of principles, some of the projects introduced by GCU are as follows:
2. Healthy Grama
3. Computer Literacy Programme
4. Nutrition Enrichment Programme

5. Craft / Skill Class

6. Pulse Polio

7. Psychological Programs

8. Beti Bachao and Beti Padhao

9. Economic Interactions with Stree Shakthi Sanghas

10. Swachh Bharath

11. Awareness about Environment

12. Go Green

13. AIDS Awareness

14. Cancer Awareness

15. Yoga

16. VISAKA

17. Digital Awareness

Roles of students in informing villagers regarding Govt. Schemes

Students are a part of a historic movement in India, they play an active part in informing Indian citizens about their rights, duties and also helped in promoting various government schemes to villagers they help towards achieving digital India, VISAKA, Swachh Bharath, etc. schemes.

Towards the presenting schemes to give something back to society or community by advocating children to lead the change in the villages and address issues of water supply, waste management etc.

Gerupura is a small and very backward village and most of the people hail from very backward community and many people are working as stone breakers on daily wages, with this they maintain their family, there are no public toilets and the villages are also struggling for drinking water supply.

In this village the GCU team will help to achieve overall growth in the village and try to develop it as a smart village.

Present Household and other detailed Scenarios of Gerupura Village:

Name of the Village	Gerupura
Total households	369
Total Male Members	352
Total Female Members	373
Literacy Rate	75%
Level of Income	Rs.1.2 lakhs to Rs.2 lakhs per annum
Total Geographical Area	900 sq.m
Agricultural land	95 Acres
Non-agricultural land	40 Acres
Cropping Pattern	Rain dependent – Ragi, 80 Acres Irrigation – Silk Leaf, 30 Acres
Religion and Population	Hindu and Minority, SC :221 M+239F=460 Minority: 131M+134F=265, Total = 352+373=725
Total number of Family	SC-115 Others-247 Total=362
Sex Ratio	92-100
Banking Awareness – Number of persons	314
Mobile Phone Users	332 The majority of the people are lagging behind in use of smart phones

Television	365
Literacy Rate	
1st Std to 7th Std	352 (48.55%)
8th Std to 12th Std	138 (19.03%)
Undergraduates	45 (6.20%)
Postgraduates	07 (0.96%)

Source: Kolar District Statistical Profile - 2016

Camps

1. Various NSS Camps sponsored by GCU in collaboration with government, have been conducted for students at GCU and various locations. This is aimed at developing student's personality through community service. This creates a mindset of change, promoting continuous striving of social transformation and upliftment.

2. Health Camps, Pulse polio, VISAKA, AIDS awareness, Cancer awareness, Street Plays regarding Beti Bachao and Beti Padhao, Psychological issues, Swachh Bharath etc. are promoted.

Blood Donation Camp

The NSS wing organised 2 blood donation camps on 14th Aug 2017 and 25th Jan 2018. A total of 350 Units of blood were collected.

The Blood Donation Camp was organized by NSS (National Service Scheme), NCC (National Cadet Corps) in collaboration with the Rotaract Club. The Blood Donation Camp Inauguration started positively at 9:30 A.M. The inauguration was done by our respected Principal Prof. Sibi Shaji.

The NSS and NCC Volunteers took part actively in helping the organization to collect the blood samples. The registration, hospitality, food, certification and medical departments were handled by the NSS Volunteers and were successful in their work. Active participation of donors from the students, teachers and other staff of the Garden City University made this event successful by collecting 162 blood units and 144 Blood Units respectively. This time the organization has also put the light on donating the "stem cells" which may be of great help to the patients who all are suffering from some deadly disease like cancer etc. The Stem Cell registry from our University accounted to 116 donors + 240 donors respectively.

The NSS students actively participated in planting around 500 saplings at Doddaanekundi lake.

GCU-NSS Unit @Youth Festival - Udupi

NSS- State Level Youth Festival held from 18th to 22nd August 2017 at Gandhi Maidan, Ajjarakadu Udupi. 16 students and the NSS programme officer Mr. Sachin S, Asst. professor, Department of Tourism represented Garden City University in the Five Days festival. Students have actively participated in educational sessions, capacity building activities and various social and cultural competitions. Our team has bagged 3rd price in the cultural completions held for 5 days. This 5 days camp taught them social service and leadership abilities.

National Youth Day Celebration

National Youth day is celebrated on 12th of January every year on the birth anniversary of Swami Vivekananda. He was a social reformer, philosopher and a great thinker.

The NSS team visited Swami Vivekananda Udyanavana, Halasuru Lake on this occasion.

The celebration began with arathi to Swami Vivekananda statue and Veda parayana by monks. The gathering was addressed by chief guest Swami Abhiramanandaji Maharaj assistant general secretary of Ramakrishna Math and Ramakrishna Mission. The team had a procession up to Ramakrishna Math where rest of the program was held. Welcome speech was given by Swami Tattwarupananda who is the adhyaksha of Ramakrishna Math. The students, who won prize in cultural events, gave a small speech on Swami Vivekananda. The chief guest addressed the gathering about Swami Vivekananda's teachings and how he inspired the youth and what is the relevance of his thoughts in the present world. The presidential address was given by Swami Raghaveshanandaji Maharaj where he taught the students about the views of Swami Vivekananda. This was followed by the cultural programs and prize distribution. "Experience is the only teacher we have we may talk and reason all our lives, but we shall not understand a word of truth."

NCC - National Cadet Corps

The NCC unit of GCU is under the 9th Karnataka Battalion. It is the youngest company in 9 Karnataka Battalion which is under Bangalore Group 'B'

Karnataka & Goa Directorate. This GCU Company is a unique blend of Cadets from all over India and Nepal. The insignia of the company is a portrait of Shaheed Bhagat Singh written Braveheart on it, as he was the braveheart of Indian freedom struggle and our Cadets draw motivation and courage from his bravery. Apart from regular NCC parades, other activities like parasailing, rock climbing, trekking and adventure trips are conducted by the cadets.

NATIONAL CADET CORPS, 3/9 COY, 9 KAR BN.

KARNATAK & GOA DIRECTORATE

ANNUAL REPORT 2017-18

1. 1st Combined Annual Training Camp - held at Christ university campus (Kumbalgod) June 2017, 15 cadets attended the same. (TSC selection)

2. July 31st new enrolment held for 2017-2018

3. 14th August 2017 BLOOD DONATION CAMP held in university campus in association with Rotary TTK blood bank.

4. 12th to 21st Sept 2017 2nd CATC held at Al-Ameen PU college, Hoskote- 45 cadets from GCU attended the camp.

5. Jan 24th 2018 Blood donation camp held in GCU campus in association with Rotary TTk blood bank.

6. Danny Jose Thomas selected for the Thal Sainik Camp 2018 at Delhi

7. Feb 2nd week completion of Parades for the year 2017-18

8. 11th & 12th Feb 2018 'B' Certificate exam for Bangalore Gp 'B' held in Garden City University campus, Approx 650 cadets appeared for the same.

9. GCU cadets enrolled for the Swachh Bharat Internship under PM swachh Bharat program.

10. Garden City University cadets conducted a Swachh Bharat campaign in the local area.

MANAGEMENT TRAINING

A unique training program developed by GCU where a battalion of young managers are created. This platform gives students hands-on experience on managing various events and associated activities. The activities include steps right from concept creation, budgeting, fund raising and sponsorship, forming of organizing committee, responsibility assignment, creative communication and design, invitation and publicity, hospitality and guest relations, event production and technical management, discipline and crowd management etc.

The students also get to meet the stalwarts from the industry and luminaries from various fields. Gardenians who make the most of this program have been success stories at their work place and careers.
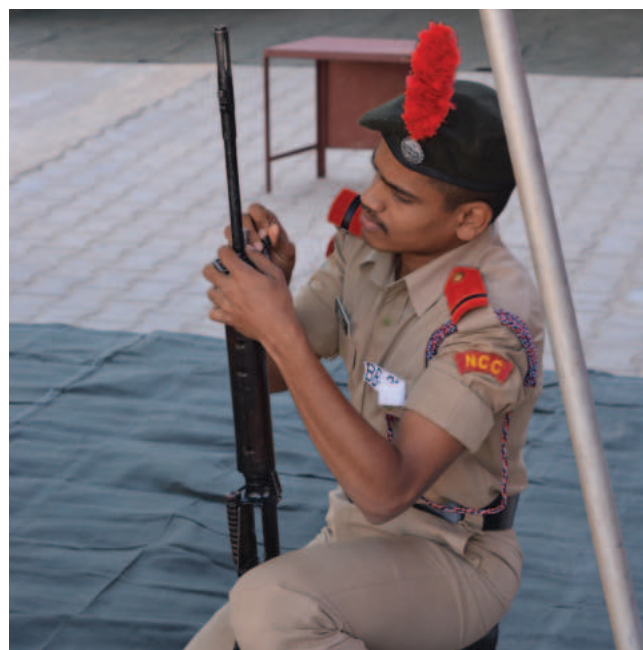

Other Facilities

In-campus Bank

GCU has an in-house branch of Syndicate Bank and Federal Bank with ATM facility. The banks offer a host of student friendly schemes that aids the finances during the tenure of their course.

LIBRARY – LEARNING RESOURCES

The library is the 'heart' of any academic institution. The library which has a collection of over 34000 books covering relevant subjects including general books for all users.

The University Library has two well-equipped centralized sections - Circulation and Reference Library spread over 1500 square meters. The Library has the specified area for reading, browsing and accessing e-resources for the students, researchers and the faculty members. The reference library has ample seating capacity and also provides a digital library with reprographic facility.

The Library functions from 8.00am to 10.00pm on all days of the week including public holidays. Library provides wide range of services to support and enhance student learning at the campus.

FINANCIAL INVESTMENT IN THE ACADEMIC YEAR: 2017-18

1. All books: ₹ 22,11,445.00

2. E-Journals : DELNET   ₹ 90,860.00

3. Printed Journals / Magazines :   ₹ 86,259.00

4. British Library (Institutional) :   ₹ 12,000.00

   Total: ₹ **24,00,564.00**

REPORT ON GCU
SCHOLARSHIP 2017-18

Education has to constantly evolve and grow to meet the needs of our ever changing society. In recent years the pace of change has become very rapid and in certain areas, our education system has struggled to implement the changes needed to keep pace.

"Right to Education" is one of the fundamental rights of every Indian citizen, Garden City University believes that money should not be a road block for a student with innovative ideas in his mind and passion in his heart. We extend Scholarships and Financial assistance to meritorious students based on their academic achievements. The scholarship is offered to students depending on the academic credentials, the University grants full to partial waiver on tuition fees payable by the student.

The University provides the following scholarship :

Sl. No.	% of Marks in HSC/PUC/10+2	Scholarship - % of Waiver on Tuition Fee
1	60 – 64.99	10%
2	65 - 69.99	15%
3	70 - 74.99	20%
4	75 - 79.99	25%
5	80 - 84.99	30%
6	85 – 89.99	35%
7	90 - 94.99	40%
8	95 and Above	100%

1. School of Commerce and Management:

Sl. No.	% of Scholarship Received by the Students / Waiver of Tuition Fee	No. of Students Availed the Scholarship
1.	10%	28
2.	15%	21
3.	20%	20
4.	25%	17
5.	30%	10
6.	35%	6
7.	40%	11
8.	50%	3
9.	100%	1
Total No. of students availed the scholarship		117
Total amount of scholarship		**Rs.10,716,000**

School of Commerce & Management

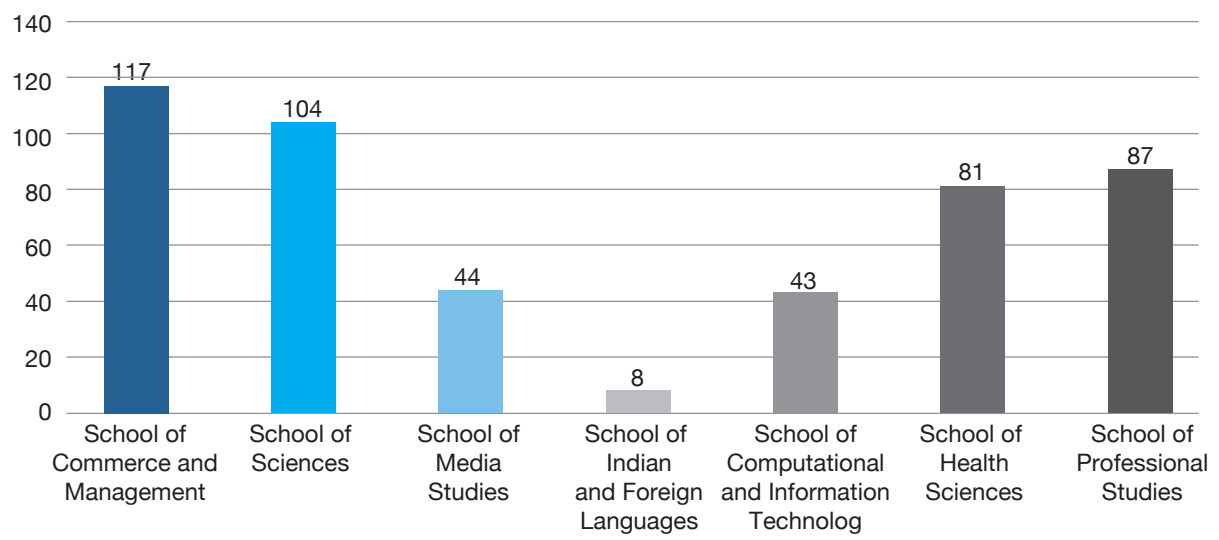

No. of students availed the scholarship
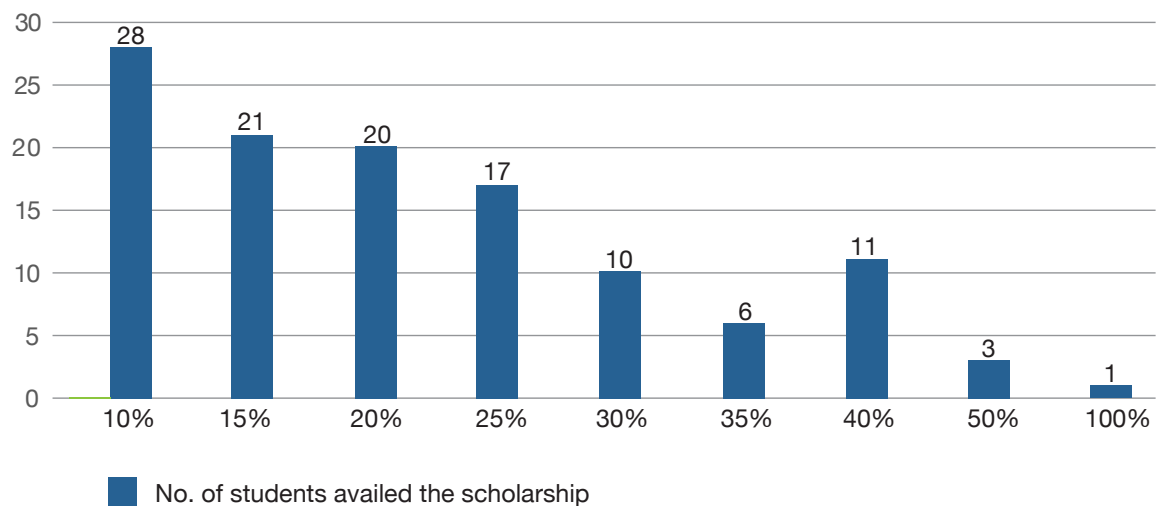

2. School of Sciences:

INTERNATIONAL STUDENTS' CELL

Bangalore is known as the "Silicon Valley of India" in view of its role as India's leading IT hub, because of which a huge influx of international students happen in the city every year. Students from as many as 80 countries has preferred the brand Garden City in shaping their dream career. The diaspora of students at GCU is enriched with students from countries like Oman, France, Iran, Sudan, Saudi Arabia, Sri Lanka, Maldives, Nepal, Ivory Coast, Republic of Korea, Tanzania, Thailand, China, Congo, Nigeria, Cameroon, Yemen and many more. An exclusive office by name of International Students Affairs Cell (ISAC) is thus created to deal with the admissions & guidance of international students at GCU. The ISAC addresses various legal, academic, social and other issues pertaining to the international students taking admission at GCU. A senior faculty member from each School of Study is appointed as the Coordinator of the cell, who attends to these students as frequently as possible and enable their stay and study comfortable with the support of the Director of ISAC.

Extra care is taken to provide them available facilities on priority. These students enrich the campus life by their sincere support in classroom affairs to social gatherings.

ANTI RAGGING MEASURES

Ragging Means:

- Any disorderly conduct whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness any other student.
- Indulging in undisciplined activities which causes or is likely to cause annoyance, hardship or psychological or physical harm or to raise fear or apprehension thereof in a fresher or a junior student.
- Teasing, embarrassing, humiliating, assaulting or using criminal force or criminal intimidation, wrongful restraining or confining or causing grievous hurt, kidnapping, extortion or molesting or committing unnatural offences or causing death or abetting suicide, use of criminal force, criminal trespass and intimidation.
- Asking the students to do any act or perform something which student is not willing in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the psyche or physique of a fresher or a junior student.

Punishable Acts of Ragging:

- Abetment / instigation to ragging / criminal conspiracy to rag
- Unlawful assembly and rioting while ragging
- Injury to body, causing hurt / mental trauma
- Public nuisance created during ragging, or violation of decency and morals
- Physical or psychological humiliation
- Wrongful restraint, confinement
- Use of criminal force / assault / sexual offences / unnatural offences
- Extortion / criminal trespassing or intimidation / offences against property
- Attempt to commit any or all of the above mentioned offences against the victim

- Any act / abuse by spoken words, e-mails, snail mails, blogs, public insults etc
- Any act that prevents, disrupts or disturbs the regular academic activity of a student

Prohibition of Ragging:

- Ragging within the Garden City University Campus including its Institutions / Departments and Hostels is strictly prohibited
- Ragging in any form is prohibited also in the private lodges/buildings where Garden City University students are staying
- No person including students / staff / faculty/ non-teaching staff shall participate or abet or propagate ragging in any form

Measures for Curbing Ragging:

- The Advertisement for Admissions will clearly mention: "Ragging is totally banned in Garden City University and anyone found guilty of ragging and/or abetting ragging will be appropriately punished"
- Garden City University will conduct awareness programme on anti-ragging & consequences of ragging & hand-outs will also have full text of Anti-Ragging Regulations.
- Hostel students will be well informed of anti-ragging regulations & will have to fill an Application Form before admitting to the Garden City University Hostel
- Create awareness through wide spread publicity – posters, leaflets etc. among the students, parents and guardians before start of the academic session. The posters and banners etc., will be displayed at least 10 days before the start of this semester in all prominent places including Hostels, Cafeterias and common activity areas and entry points

Punishments against Ragging:

Depending upon the nature and gravity of the offence as established by the anti-ragging Committee of the University, the possible

punishments for those found guilty of ragging at the institution level shall be any one or any combination of the following:

- Suspension from attending classes and academic privileges
- Withholding / withdrawing scholarship / fellowship and other benefits
- Forfeiting campus placement opportunities / recommendations
- Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc
- Debarring from appearing in any test/examination or other evaluation process
- Withholding of results
- Suspension/ expulsion from the hostel.
- Cancellation of admission
- Rustication from the institution
- Expulsion from the institution and consequent debarring from admission to any other institution for a specific period of time
- More severe punishment were justified such as fine / imprisonment etc
- Collective punishment: When the persons committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment as a deterrent to ensure community pressure on the potential raggers

In addition, in case of every single incident of ragging, a First Information Report (FIR) will be filed with the local police authorities. The possible punishment includes rigorous imprisonment (in compliance with the order of Supreme Court of India, UGC regulations & guidelines & Karnataka Government Orders).

GENERAL INSTRUCTIONS:

(a)Anti-Ragging Committees:

- The "Anti-Ragging Committee" at GCU is headed by the Registrar of the University. It will comprise of selected faculty members, students from the fresher's category as well as seniors and selected non-teaching staff
- This Committee will be fully and totally responsible to ensure that no incidence of ragging as given in these regulations takes place and will also monitor and ensure that the instructions of these regulations are followed fully at all times
- The Committee will also maintain alert vigil at all times and ensure that the Anti-Ragging Squads of the Institutions carry out their functions properly

(b)Anti-Ragging Squads/Patrols:

- Anti-Ragging Squads will constitute members of faculty with Head of school as the in-charge. The number of squads will be based on the strength of the students so that the Anti-Ragging Measures can be effectively implemented
- Anti-Ragging Squads will comprise of senior faculty members and responsible representatives of senior and fresher students. Its function will include going around / patrolling the Institution and the Campus common areas, maintain vigil and take action if they notice any incidence of ragging either in our Institution or any other area in the vicinity of the Campus

Action Procedure:

- Anti-Ragging Squads and Anti-Ragging Patrols will immediately report any incidence of ragging or abetment of ragging noticed by them to the Anti-Ragging in-charge immediately and also to the Anti-Ragging Committee head of each school

- Anti-Ragging Committee will take immediate action as per the situation which may include:

  - Immediate suspension of involved students

  - Sending reinforcements or any medical help if required

- Forward the main gist / report of incidence to the Anti-Ragging Committee and the monitoring cell

- The Anti-Ragging Committee will examine the report and recommend appropriate punishment which will be awarded after the approval of the Monitoring Cell. (Reporting of the matter to the Civil Police or lodging of complaint / FIR will not be done without the approval from Chancellor / Vice-Chancellor / Pro-Vice-Chancellor)

RESEARCH AND INNOVATION COUNCIL (RIC)

India is home to a huge population of more than 1.3 billion people, among which more than 50 per cent are young men and women below the age of 25 years. This gives us an enormous un-tapped innovation capability which can easily meet basic human needs of the country. The Prime Minister of India ratified this fact by setting up the National Innovation Council in 2010 and the President of India declared 2010 – 2020 as the Decade of Innovation. The National Innovation Council has been fostering this concept in various sectors of the country, such as, industry, government, education and other related segments. The idea is to create a concerted effort of establishing innovation clusters and networks for developing synergy and taking the innovation activities in the country to the next higher level. Our Chancellor Dr. Joseph V.G. cognized the importance of the above fact and established the Research and Innovation Council.

Research and Innovation Council (RIC) is the apex policymaking body for Research Development and Consultancy activities at Garden City University (GCU). RIC is responsible for identifying and pursuing the University's strategic development within research, innovation, Ph.D. programmes and business collaboration. It also determines how this development is best supported by the organization.

The objective is to prioritize how the University shall profile its activities externally, and to initiate a greater number of collaborative relationships with private and public entities. The Council prompts general and interdisciplinary initiatives within research and innovation that may complement the faculties' own initiatives. The RIC at GCU aims to create an atmosphere where the research and innovation activities could be nurtured and enhanced by tapping and unleashing the hidden innovative potential and skills of our students and teachers in bringing these to higher level.

Chancellor Dr. Joseph V.G. intends to incorporate the kernel of research and innovation in the University by proliferating to the following levels:

Inviting PhD aspirants with a bent for research and innovation within a period of next 3 years.

Involving them and other constituents of the University to develop their Intellectual Properties and secure the IPRs through patent filing.

Seed funding the exceptional innovative research projects in the University.

Along with content of the projects, study of market feasibility and viability of the outcome of the projects to be included too.

The academic research in the University is administered using three levels of hierarchy, which are; Research and Innovation Council (RIC), Research Monitoring Committee (RMC) and Doctoral Committee (DC).

The composition of RIC is:

Vice Chancellor	-	Chairperson
Pro Vice Chancellor	-	Member
The Dean of Research	-	Secretary
Head of the Department of Innovation	-	Member
Deans of all faculties	-	Members
Two senior Professors from premier academic institutions	-	Members
Two scientists from R&D organizations or from industry	-	Members

CENTRE FOR INNOVATION, INCUBATION & INTELLECTUAL PROPERTY RIGHTS (CIIIPR)

At Garden City University, we emphasize on the sprouting of the innovation radical and curate the budding young minds of our students to ideate a noble plan or a model which can be registered as a patent. Under the CIIIPR wing of GCU the Innovation Excellence Quotient is delivered through co-ideation, co-designing, co-incubation & IP management. The Research & Innovation Council of Garden City University is devoted to find new paths of research in the field of science, education, healthcare, management, commerce and interdisciplinary studies which ultimately culminates into a patent or trademark registered with the name of the student.

The student will get an opportunity to submit their noble idea to the panel of experts who will assess the chance of patenting the individual idea and will allow the student to carry on with the process of IP registration.

BOARD OF STUDIES AND BOARD OF EXAMINATION

SCHOOL OF PROFESSIONAL STUDIES

Programme: BA Tourism, Pshcyology, Journalism (BATR)
BA Tourism Honours (BATH) and
Master of Tourism and Travel Management (MTTM)

Sl. No.	Name	Designation
1	Prof. Dr. P. Purnachandra Rao	HoD, Department of Tourism, Aacharya Nagarjuna University, AP
2	Dr. G. Jayaprakash Narayan	Asst. Professor, Deptarment of Tourism, Mahatma Gandhi University, Telangana
3	Mr. H. Yatish	Tourism and Hopitality consultant, Bangalore
4	Mr. Kishore Satya	Sr. Manager, IRCTC, Bangalore
5	Mr. Raghavan	Chairman, UFTAA, Karnataka Chapter
6	Prof. Venkateswaran Raman	Co-Founder, VIBES Airlines.
7	Dr. Nizar Ahmed	Professor, Al Ameen College, Bangalore
8	Mr. Gopala Krishnan	Associate Professor, Acharya Institute
9	Mr. Venkateshwaran Raman	Director, Vibes Air Services
10	Mr. Farhan Ahmed Hazarika	Coworks – HR Lead
11	Mr. Tony Thomas	Manager, Fern Hotels
12	Ms. Ajita	Owner – Nth Adventure
13	Ms. Paharita Borah	Dpty. Manager, Cox and Kings

SCHOOL OF SCIENCES

Programme: B.Sc Biotechnology, Biochemistry, Genetics (BBGR),
B.Sc Biotechnology Honours (BSBH),
M.Sc Biotechnology (MSBT) and
M.Sc Microbiology (MSMB)

Sl. No.	Name	Designation
1	Dr MRN Murthy	Professor, IISC
2	Dr Vishwanath N H	Manager, Eureka Forbes
3	Dr Jitesh M N	Professor, Jain University
4	Dr Vidyasagar M	Associate Professor, Jain University
5	Dr Usha	Associate Professor, Jain University

6	Dr Shankar	Professor, Maharani's College
7	Dr Chetan J D	Associate Professor, Dharwad University
8	Dr Srividya Shivakumar	Professor, Surana College
9	Dr Gautham	Professor, M S Ramaiah University
10	Dr Subharani	Professor, Jain University
11	Dr Lakshmikant	Professor, Dayanada Sagar University
12	Dr Preetha Nair	Professor, Mount Carmel College
13	Dr Geetika Panth	Professor, Indian Academy College
14	Dr Sunil Moore	Dean, Department of Biochemistry, Dayanada Sagar University
15	Dr Shobha K Jayanna	Professor, Dayanada Sagar University
16	Dr Shyamala K. V	Assistant Professor, Dayanada Sagar University
17	Dr M Gowri Neelima	Professor, Maharani Ammani College

SCHOOL OF MEDIA STUDIES

Programme: BA Journalism, Psychology, English (BAJR), BA Journalism Honours (BAJH), M.Sc Electronic Media (MSEM) and MA Journalism and Mass Communication (MJMC)

Sl. No.	Name	Designation
1	Dr. B.K Ravi	Registrar, Bangalore University

12	Mr Chalapathy	Assistant Professor, Government First Aid College
13	Ms Visalashi Sridhar	Assistant Professor, Mount Fort College

SCHOOL OF INDIAN AND FOREIGN LANGUAGES

Programme: BA English honours (BAEH)

Sl. No.	Name	Designation
1	Dr. Brinda Veerappa	Professor Tumkur University (Bangalore)
2	Fr. George	Assistant Professor Cochin University, Kerala
3	Prof. Christopher Weagle	Professor, American University of Sharjah
4	Mr. Sagar A.	Assistant Professor, Acharya Institute of Graduation Studies, Soldevanahalli, Bangalore
5	Mr. Jerry Jose	Secretary, Assistant Professor, Kristu Jayanti College, Kothannur, Bangalore

SCHOOL OF COMPUTATIONAL SCIENCES AND INFORMATION TECHNOLOGY

Programme: Bachelor of Computer Application (BCAR), B.Sc Information Technology (BSIT) and Master of Computer Application (MCA)

Sl. No.	Name	Designation
1	Mrs. Sudha Gorti	Director, Sapient Technologies
2	Mr. Bidhar Chandra Sardar	Scientist, Tata Institute of Fundamental Research (TIFR), Bangalore
3	Mr. Biju k Balan	HOD (Computer Science), Acharya Institute of Graduate Studies
4	Mrs. Vanita R. Raikar	Senior Lecturer, The Oxford College of Engineering
5	Mr. G.G. Srinivas	Founder, OnUs Payment Systems India Pvt ltd.
6	Dr. Prashanthi	HOD of MCA in Adarsh Institute of Management and Information technology
7	Mr. Mathew Thomas	IT Lead, Global Oil and Energy Organization
8	Dr. Arunadevi	Head of the Department, Cambridge Institute of Management and Sciences,
9	Dr. Garima Mishra	Senior Research Analyst, Innovation and Development, Mu Sigma Business Solutions Pvt. Ltd. Bengaluru.
10	Mr. S.C.Mallikarjuna	Senior Project Manager, L&T Technologies, Bengaluru.
11	Dr. Nagabhushan S.V	Associate Professor, BMS IT, Bengaluru.
12	Dr.Harish B.G	Professor, VTU, UBDTCE, Davanagere, Bengaluru.
13	Mr. Lakshma Reddy	Senior Analyst, SAP LABS, Whitefield, Bengaluru.
14	Mr. Channaveerswamy	Project Manager, CAPGEMINI Consulting and Technology, Bengaluru.
15	Mr. Rajaneesh Kumar Singari	Senior Software Engineer, Reliance Technologies. Bengaluru.

SCHOOL OF HEALTH SCIENCES
Programme : Bachelor of Physiotherapy (BPTR) and Master of Physiotherapy (MPTR)

Sl. No.	Name	Designation
1	Dr. Raja	Principal, KIMS College of Physiotherapy
2	Prof. Sai Kumar	Principal, Sanjay Gandhi College of Physiotherapy
3	Dr Raja R	Principal, KIMS College of Physiotherapy
4	Dr Vijay Krishna	Principal, Dr B R Ambedkar College of Physiotherapy
5	Dr Manjunatha H	Principal, Florence College of Physiotherapy
6	Dr Sai Kumar	Principal, Sanjay Gandhi College of Physiotherapy

SCHOOL OF PROFESSIONAL STUDIES
Programme: Bachelor of Hotel Management (BHMR)

Sl. No.	Name	Designation
1	Dr. Malini Singh	HOD, Department of Hotel Management, SJES College of Hotel Management, Bengaluru
2	Dr. Avinash Kapoli	General Manager, Farzi Café, Bengaluru
3	Chef Ekamburam Ravi	Chef Trainer, Taj Group of Hotels, Bengaluru
4	Mr. Abin Matthew	Sales Manager, Lemon Tree Hotels, Bengaluru
5	Mr. Suraj Gowda	Front Office Associate, Marriott Hotel Downtown, Abu Dhabi
6	Mr. Suresh Moorthy	Senior F&B Executive, Unilever Ltd., Bangalore
7	Dr. J. Suresh	Assistant Professor, Army Institute of Hotel Management & Catering Technology

SCHOOL OF PROFESSIONAL STUDIES
Programme: Bachelor of Fashion and Apparel Design (FAD)

Sl. No.	Name	Designation
1	Dr. Sampath Kumar	Fashion and Textile Freelancer
2	Mr. Somasundaram	Head of South India zone team, Implementing skill development and Placement Garment industry
3	Dr. Sandhya Ravi	Principal, NITTE
4	Mr. Jeevan Shetty	National Sales Head, Aditya Birla Group
5	Mr. Sadan Kumar	Founder & CEO, Sadan Enterprises

SCHOOL OF COMMERCE AND MANAGEMENT
**Programme : Bachelor of Business Administration (BBAR)
Bachelor of Business Administration with specialization in Business
Analytics (BBAB), Bachelor of Commerce (Regular) (BCMR),
Bachelor of Commerce (Honours) (BCMH) and
Master of Business Administration (MBA)**

Sl. No.	Name	Designation
1	Dr. Anuradha	Associate Professor, Christ University
2	Mr. Ravi Raman	MD, Infohedge, Bangalore
3	Dr. Shampa Nandi	Associate Professor, International School of Management
4	Mr. Shayan Pal	Placement Director, CMR University
5	Mr. Ravi Venkatesam	MD, OnTrac
6	Dr. Md. Farooq Basha	Asst. Professor, Govt First Grade College, Kengeri
7	Dr. Vikram	Asst. Professor, Govt First Grade College
8	Dr. Savitha	Professor, MS Ramaiah College
9	Dr. Pradeep Shinde	HoD, MBA, Presidency College
10	Mr. Kamalesh Patre	Industrial Expert, Chartered Accountant
11	Mr. Farhan Ahazarika	Industrial Expert, HR, Co-works Co Ltd

BOARD OF EXAMINATION

SCHOOL OF PROFESSIONAL STUDIES

Programme: BA Tourism, Pshcyology, Journalism (BATR)
BA Tourism Honours (BATH)

Sl. No.	Name	Designation
1	Dr. Nizar Ahmed	Professor, Al Ameen College, Bangalore
2	Ms. Sneha	Assistant professor Mount Carmel College
3	Mr. Suja	Assistant professor Christ Institution
4	Mr. Kisore	Manager – IRCTS

SCHOOL OF SCIENCES

Programme: B.Sc Biotechnology, Biochemistry, Genetics (BBGR), B.Sc Biotechnology Honours (BSBH)

Sl. No.	Name	Designation
1	Mr Rajeeve Kolgi	Assistant Professor, Govt Science College
2	Dr Ashok Kumar	Assistant Professor, Oxford Science College
3	Ms Lavenya	Assistant Professor, SBJMC KGF
4	Mr Pradeep Kaushik	HOD, Acharya college of Science
5	Dr Anu Kiruthika	Assistant Professor, St George College
6	Ms Vidya A S	HOD, Seshadripuram College
7	Ms Asha Ninan	Asst Professor, Oxford College

SCHOOL OF MEDIA STUDIES
Programme: BA Journalism, Psychology, English (BAJR), BA Journalism Honours (BAJH)

Sl. No.	Name	Designation & Name of College
1	Ms Sreejha S Varier	Assistant Professor, Kristu Jayanthi College
2	Mr Sujith Mohan	Director, Orchard Adversitising

SCHOOL OF INDIAN AND FOREIGN LANGUAGES
Programme: BA English honours (BAEH)

Sl. No.	Name	Designation & Name of College/Company
1	Dr. Manmohan Joshi	Head of Acharya Education Service

SCHOOL OF COMPUTATIONAL SCIENCES AND INFORMATION TECHNOLOGY
Programme: Bachelor of Computer Application (BCAR), B.Sc Information Technology (BSIT)

Sl. No.	Name	Designation & Name of College
1	Prof. Latha Kurian	Asst Professor, Sacred Heart College, Bangalore
2	Prof. Kumudini	Asst Professor, St. George College
3	Prof. Bharathi	Asst Professor, SEA College, Bangalore
4	Prof. Reeja Jose	Asst Professor, Acharya College
5	Prof. Namratha	Asst Professor, East Point College
6	Prof. John	Asst Professor, Sambhram College
7	Prof. Sunitha	Asst Professor, Sambhram College
8	Prof. Reeja Jose	Asst Professor, Acharya College
9	Prof. Sathyajit Ray	Principal, SDC College, Kolar
10	Prof. Praveen	Asst Professor, Acharya College, Bangalore
11	Prof. Namratha	Asst Professor, East Point College
12	Dr. Narayana Swamy	Professor & HOD, Presidency College

SCHOOL OF HEALTH SCIENCES
Programme : Bachelor of Physiotherapy (BPTR)

Sl. No.	Name	Designation & Name of College
1	Mr K Manas Charkravarthy	Assistant Professor, Sambharam Institute of Medical Sciences, DK Halli, KGF
2	Mr Manoj K T	Assistant Professor, PMS College of Dental Science and Research, Trivandrum, kerala.
3	Dr Vijay Krishna	Principal, Dr B R Ambedkar College of Physiotherapy

SCHOOL: SCHOOL OF PROFESSIONAL STUDIES
Programme: Bachelor of Hotel Management

Sl. No.	Name	Designation & Name of College
1	Mr. Justin Baby	Head of the Department, SJES College of Hotel Management
2	Mr. Ramakrishna Jana	Assistant Professor, SJES College of Hotel Management
3	Mr. Yuvraj	Assistant Professor, T.John College of Hotel Management
4	Mr. Jasty .P. Joy	Assistant Professor, T.John College of Hotel Management

SCHOOL OF COMMERCE AND MANAGEMENT
Bachelor of Business Administration
Bachelor of Business Administration with Specialization in Business Analytics
Bachelor of Commerce (Honours)
Master of Business Administration

Sl. No.	Name	Designation & Name of College/Company
1	S. Santoshkumar	Assistant Professor, New Horizon College
2	Mr. Gnanendra. M	Assistant Professor, Christ University
3	Ms. Bhagya G B	Assistant Professor, GFGC
4	Ms. Vanita Raikar	Assistant Professor
5	Mr. Mohammed Farooq Pasha	Assistant Professor, GFGC Kengeri
6	Prachi Beriwala	Assistant Professor, Presidency College
7	Rajitha R	Assistant Professor, Presidency College
8	Dr. Raji	Vice Principal, SEA College
9	Dr. Anuradha	HOD, Cambridge College

EXTRACTS OF THE RESOLUTIONS OF BOARD OF STUDIES (BoS)

Extracts of Resolutions of BoS in Media Studies in its meeting

The Board unanimously resolved to recommend the BA Journalism (Honors) Programme at Garden City University from the Academic Year 2017-18 and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.

The Board unanimously resolved to recommend the BA Journalism, English & Psychology Programme at Garden City University from the Academic Year 2017-18 and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.

MA Journalism & Mass Communication Programme

The Board unanimously resolved to recommend the MA Journalism & Mass Communication Programme in Garden City University from the Academic Year 2017-18 and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.

MSc Electronic Media Programme

The Board unanimously resolved to recommend the MSc Electronic Media Programme at Garden City University from the Academic Year 2017-18 and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of

question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.

Extracts of Resolutions of BoS in Commerce and Management

The Board unanimously resolved to recommend the BCom Programme at Garden City University from the Academic Year 2017-18 and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.

BCom (Hons) Programme

The Board unanimously resolved to recommend the BCom (Hons) Programme at Garden City University from the Academic Year 2017-18 and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.

BBA Programme

The Board unanimously resolved to recommend the BBA Programme at Garden City University from the Academic Year 2017-18 and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.

BBA with Specialization in Business Analytics Programme

The Board unanimously resolved to recommend the BBA with Specialization at Business Analytics Programme in Garden City University from the Academic Year 2017-18 and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.

MBA Programme

The Board unanimously resolved to recommend the MBA Programme at Garden City University from the Academic Year 2017-18 and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.

Extracts of Resolutions of BoS in Computational Sciences and Information Technology

BCA Programme

The Board unanimously resolved to recommend the BCA Programmeat Garden City University from the Academic Year 2017-18 and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.

BSc IT Programme

The Board unanimously resolved to recommend the BSc IT Programmeat Garden City University from the Academic Year 2017-18 and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.

MCA Programme

The Board unanimously resolved to recommend the MCA Programmeat Garden City University from the Academic Year 2017-18 and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.

Extracts of Resolutions of BoS in School of Sciences

BSc Biotechnology, Biochemistry, Genetics Programme

The Board unanimously resolved to recommend the B.Sc Biotechnology, Biochemistry, Genetics Programme at Garden City University from the Academic Year 2017-18 and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.

BSc Biotechnology (Hons) Programme

The Board unanimously resolved to recommend the BSc Biotechnology (Hons) Programme at Garden City University from the Academic Year 2017-18 and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.

MSc Biotechnology Programme

The Board unanimously resolved to recommend the MSc Biotechnology Programme at Garden City University from the Academic Year 2017-18 and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.

MSc Microbiology Programme

The Board unanimously resolved to recommend the MSc Microbiology Programme at Garden City University from the Academic Year 2017-18 and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.

Extracts of Resolutions of BoS in School of Professional Studies

Diploma in Hospitality Management Programme

The Board unanimously resolved to recommend the Diploma in Hospitality Management Programme at Garden City University from the Academic Year 2017-18 and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.

BHM Programme

The Board unanimously resolved to recommend the BHM Programme at Garden City University from the Academic Year 2017-18 and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.

Extracts of Resolutions of BoS in School of Professional

BA Tourism (Hons)

The Board unanimously resolved to recommend the BA Tourism (Hons) Programme at Garden City University from the Academic Year 2017-18 and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of

external paper-setters and examiners for the BOE.

BA Tourism, History and Journalism Programme

The Board unanimously resolved to recommend the BA Tourism, History and Journalism Programme at Garden City University from the Academic Year 2017-18and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.

Masters of Travel and Tourism Management Programme

The Board unanimously resolved to recommend the MA Travel and Tourism Management Programme at Garden City University from the Academic Year 2017-18 and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.

Extracts of Resolutions of BoS in School of Professional Studies

BSc Fashion and Apparel Design Programme

The Board unanimously resolved to recommend the BSc Fashion and Apparel Design Programme at Garden City University from the Academic Year 2017-18 and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.

Extracts of Resolutions of BoS in School of Indian & Foreign Languages

BA English (Hons)

The Board unanimously resolved to recommend the BA English (Hons) Programme at Garden City

University from the Academic Year 2017-18 to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.

Extracts of Resolutions of BoS in School of Social Sciences

MSc Psychology Programme

The Board unanimously resolved to recommend the MSc Psychology Programme at Garden City University from the Academic Year 2017-18 and to adopt the detailed curriculum and extensive teaching methodology, scheme of evaluation and pattern of question papers, drafted as per the UGC guidelines for CBCS-CAGP and the learning model outcome model designed by Garden City University called KLAAp. The Board also recommended the panel of external paper-setters and examiners for the BOE.
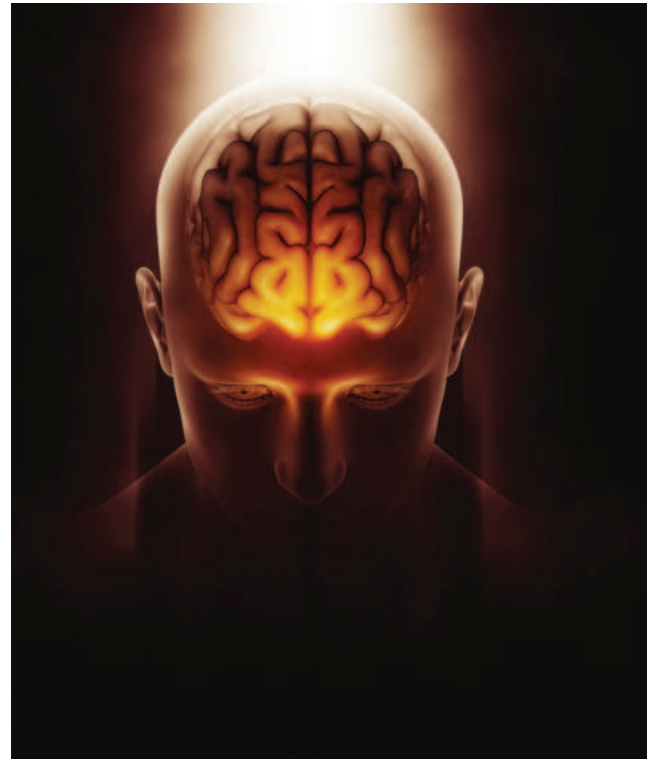

CONCEPT OF OBJECTIVE ORIENTED OPERATIONS IN EDUCATION (O³E)

This academic provision ensures that the curriculum is designed based on the set of objectives being developed depending on the practical needs. This model helped us in developing the mathematical concept of "KLAAp" which is the fundamental tool to estimate the percentage of learning outcome for a particular course.

The concept emphasizes on the importance of Objective Oriented curriculum planning for systematic & continual improvement of the academic practices. This academic tool develops a continuous assessment of the designed curriculum and generates reports on scope for further improvement. This system is an example of feed induced product management. The following graphical representation defines the core components of the process cycle.

The relationship pathway as shown below determines the proximity between the components of the academic planning & regulation system.

The stages of Objective Oriented Operations in Education (O³E™) is classified into three needs as a) Institution b) Programme & c) Curriculum.

The sequential designing process involves the mapping of the Institutional components with the programme objectives & further curriculum outcome accomplishment should be mapped to determine the success rate of Objective Accomplishment Index.

The curriculum design (CD) is based on the development of three different types of objectives which are considered as major factors driving the two other components of curriculum, i.e., Curriculum evaluation & Curriculum Objective Accomplishment. The evaluation model for a curriculum design is based on the objectives that are defined by the Course Designer. The validation of the defined objectives for a particular course is reported through the Curriculum Development & Enrichment Index (CDEI).

According to this index each programme/course is designed based on two components, namely University Compulsory Allocation (UCA) & Course Designer Prerogative (CDP), which is assigned to determine the successful implementation of the programme/course objectives.

UCA is defined as 60% of the total weightage from the learning outcome estimation, being equally distributed in all the compartments of a programme/course (for e.g., units). This is introduced to provide equal importance to each unit in the course.

CDP is designated as 40 % of the total weightage from the learning outcome estimation. In case of CDP, there was a necessity to measure the improvements between the programme objectives and the curriculum evaluation & accomplishments.
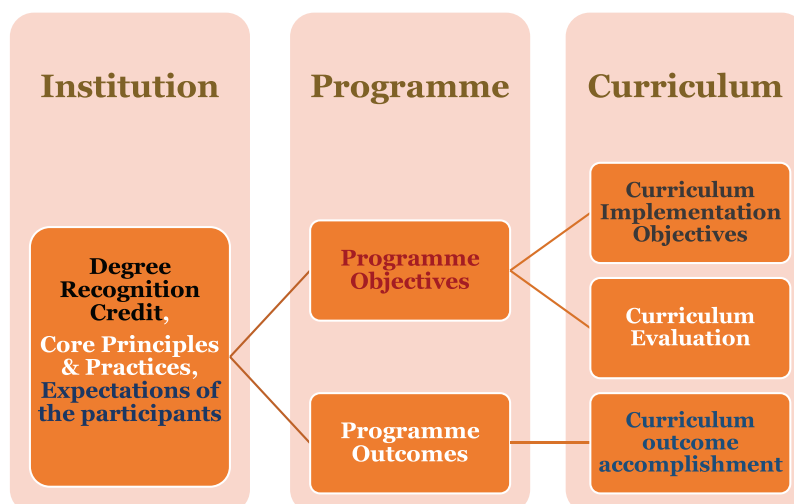

Total Quality Framework

Primarily, the mandate of TQF will be to address the following aspects of the University:

1. Monitoring overall quality governance in the University

2. Meeting the objects of the University

3. Development of reputation of the University

4. Building a Unique Selling Proposition (USP) of the University

5. Initiation of Nation building activities in the University

6. Meeting world standards in education

These mandates of the TQF will be carried out by four sub-departments, namely, Internal Quality Assurance Cell (IQAC), University Social responsibility (USR) Cell, Industry Connects (ICONS) and Market Research & Feasibility Study (MRFS) Wing.

Internal Quality Assurance Cell (IQAC)

The internal quality assurance mechanism of the institution is constituted as "Internal Quality Assurance Cell (IQAC)", meant for planning, guiding and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the University. The IQAC will channelize and systematize the efforts and measures of the University towards academic excellence.

The goals of IQAC at GCU will be:

1. To develop a quality system for conscious, consistent and catalytic programmed action to improve the academic and administrative performance of the University

2. To promote measures for institutional functioning towards quality enhancement through internationalization of quality culture and institutionalization of best practices

The role of IQAC will be to recommend and review courses of study and curricula in the respective stream of the University with respect to its economic and professional viability. IQAC will also suggest measures to improve curricula and evaluation system in the University. Besides this, it may also help the University in other processes of consultancy work, placement collaborations, industry MOUs, etc. The framework will also incorporate activities related to social responsibilities.

University Social Responsibility (USR) Cell

USR (University Social Responsibility) cell will catalyse the rise of a community engagement movement offering a range of possibilities for the University to function as a 'site of citizenship'. These include contributing to community, social and economic infrastructure, supporting equity and diversity within higher education and education for democratic citizenship. While University – community engagement contributes to the public good, it also reflects a changed economic and social context in which concepts of community have superseded broader notions of the social.

Industry Connects (ICONS) Wing

GCU aims at disseminating and advancing knowledge by providing instructional and research facilities in various branches of learning. It promotes innovation in teaching and learning process, interdisciplinary studies & research, and establishes linkages with industries with an aim to educate and train man-power for the development of the country. The University is committed to the improvement of the social and economic conditions and welfare of the people by improving their intellectual, academic and cultural development. The industry interface at GCU, named ICONS (Industry CONnect), will be responsible for facilitating the development of mutual relationships between the University and partners from different industrial and professional sector in the country to integrate industrial and professional inputs with the teaching-learning processes. It aims to improve students' awareness of job function in the industries, so that they can adapt to industrial environment, after attaining proper practical and relevant knowledge, skills and competencies and to be prepared to be self-employed. The ICONS will act as an interface between industries and the University to identify opportunities for developing innovative solutions on technological and industrial problems for the growth of socio-economic and academic development.

Market Research & Feasibility Study (MRFs) Wing

Globalisation of education and economy has led the Garden City University to reorient and reshape its policies and programmes to make its current education system more relevant and career-oriented with focus on quality and excellence. A lot of research and feedback over a considerable period undertaken by the University directed this move. It is envisaged that professionally qualified graduates with a sound knowledge of their core disciplines

and expertise in a concerned skill will have more openings in service, industry and self-employment sectors. Demand and scope for such professionally trained graduates are visible in the applied fields of almost all basic/core disciplines and faculties in the current changing global scenario. To meet these challenges of ever changing environment, GCU introduces MRFs focussed towards finding out the right match of courses complementing the requirement of the industry and economy. MRFs provides important information to identify and analyse the market need, market size and competition and does feasibility study involving assessment of the practicality of a proposed plan and method. MRFs at GCU will be responsible for conducting market research on the courses and programs that can be introduced in the university, chalking out the feasibility plan for running these courses and programs in the university, requirement analysis of the infrastructural and relevant requirements for running these courses and programs. MRFs will also validate the marketability of a course as far as placement is considered for the students enrolling in the course.

Minutes of meeting for formation of Total Quality Framework (TQF) and its constituents Internal Quality Assurance Cell (IQAC), University Social Responsibility (USR) Cell, Industry Connects (ICONS) wing and Market Research & Feasibility Study (MRFs) wing

Total Quality Framework

Venue: GCU Board Room

Date: January 09, 2017 at 10:00 AM

The meeting for formation of TQF of Garden City University (henceforth referred as GCU) was held on January 09, 2017 at 10:00 hrs. Dr. Joseph V. G., Chancellor of GCU chaired the meeting. The following members participated in the meeting:

1. Dr Joseph VG, Chancellor of GCU

2. Mr. Christo Joseph, Director – Strategy & Planning, GCU

3. Dr VB. Coutinho, Vice - Chancellor of GCU

4. Prof. Sheeja M. S., Assistant Professor, School of Sciences, GCU

5. Mr. Subhra Pratim Bhattacharjee, Assistant Professor, School of Commerce & Management, GCU

6. Mr. Sudipto Chakraborty, Research Assistant, School of Sciences, GCU

7. Dr Potukuchi Thryambakam, School of Professional Studies, GCU

8. Ms. Sudeshna Das, Assistant Professor, School of Media Studies, GCU

The Chancellor extended a warm welcome to all the participants in the meeting and thanked them for sparing their precious time to participate in the meeting. At the outset, the Chancellor gave a brief account of the core activities to be carried out in the University. The summary of the discussions and decisions taken on the agenda items during the meeting is as under:

Constitution of the Total Quality Framework (TQF) under GCU and its mandate

The Chancellor apprised the members in brief that after having transformed as a University, the Governing structure of the University – the Board of Governors and the Board of Management (BOM) was created in light of the provisions of the Garden City University Act and the Statutes made there under.

He further explained that in pursuance of the Statutes of the University, the overall policy of TQF of the university needs to be constituted. Primarily, the mandate of TQF will be:

• To monitor overall quality governance in the University

• To meet the objects of the University

• To develop reputation of the University

• To build Unique Selling Proposition (USP) of the University

• To initiate Nation building activities in the University

• To meet world standards in education, and

• To develop the curriculum for running various programmes in the University

These mandates of the TQF will be carried out by six sub-departments, namely,

1. Internal Quality Assurance Cell (IQAC)

2. Market Research & Feasibility Study (MRFs)

3. Industry Connects (ICONS)

4. University Social responsibility (USR) Cell, and

5. University Research Board (URB)

6. Curriculum Development Committee (CDC)

7. The TQF will be mandated with the above mentioned attributes and will comprise of the following members: -

8. Dr VB Coutinho, Vice Chancellor of GCU

9. Mr. Christo V Joseph, Director, Strategy & Planning, GCU

10. Dr Potukuchi Thryambakam, School of Professional Studies, GCU

11. Prof. Sheeja M. S., Assistant Professor, School of Sciences, GCU

12. Mr. Subhra Pratim Bhattacharjee, Assistant Professor, School of Commerce & Management, GCU

13. Mr. Sudipto Chakraborty, Research Assistant, School of Sciences, GCU

14. Ms. Sudeshna Das, Assistant Professor, School of Media Studies, GCU

Constitution of Internal Quality Assurance Cell (IQAC)

The internal quality assurance mechanism of the institution is constituted as "Internal Quality Assurance Cell (IQAC)", meant for planning, guiding and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the University. The IQAC will channelize and systematize the efforts and measures of the University towards academic excellence.

The goals of the IQAC at GCU will be as follows: -

1. To develop a quality system for conscious, consistent and catalytic programmed action to improve the academic and administrative performance of the university

2. To promote measures for institutional functioning towards quality enhancement through internationalization of quality culture and institutionalization of best practices

The IQAC at GCU shall have the following functions: -

• Development and application of quality benchmarks/parameters for the various academic and administrative activities of the University

• Facilitating the creation of a learner-centric environment conducive for quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process

• Arrangement for feedback responses from students, parents and other stakeholders on quality related institutional processes

• Dissemination of information on the various quality parameters of higher education

• Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles

• Documentation of the various programmes/ activities of the University, leading to quality improvement

• Acting as a nodal agency of the University for Coordinating quality-related Activities, including adoption and dissemination of good practices

• Development and maintenance of institutional database through MIS for maintaining / enhancing the institutional quality

• Development of the Annual Quality Assurance Report (AQAR) of the University based on the quality parameters/assessment criteria developed by the relevant quality assurance body (like NAAC, NBA) in the prescribed format

• Bi-annual development of Quality Radars (QRs) and Ranking of Integral Units of University based on the AQAR

The following members comprise of IQAC at GCU: -

1. Dr. Thomson Thomas, Assistant Professor, School of Commerce & Management Studies, GCU

2. Prof. Sheeja M. S., Assistant Professor, School of Sciences, GCU

3. Dr. Jagdish S B, School of Commerce & Management Studies, GCU

4. Dr. Nagamani J. E., Associate Professor, School of Sciences, GCU

5. Mr. Sudipto Chakraborty, Research Assistant, School of Sciences, GCU

6. Mr. Aravind Thondan, Managing Director, Singularis Capital Advisors Pvt. Ltd.

7. Mr. Pratap Hegde, CEO & Managing Director, Telematics4u Services Pvt. Ltd.

8. Ms. Ishrat N Wahab, Assistant Professor, School of Professional Studies, GCU

Constitution of Market Research & Feasibility Study (MRFs)

Globalisation of education and economy has led the Garden City University to reorient and reshape its policies and programmes to make its current education system more relevant and career-oriented with focus on quality and excellence. A lot of

research and feedback over a considerable period of time undertaken by the University directed this move. It is envisaged that professionally qualified graduates with a sound knowledge of their core disciplines and expertise in a concerned skill will have more openings in service, industry and self-employment sectors. Demand and scope for such professionally trained graduates are visible in the applied fields of almost all basic/core disciplines and faculties in the current changing global scenario. To meet these challenges of ever changing environment, GCU introduces MRFs focussed towards finding out the right match of courses complementing the requirement of the industry and economy. MRFs provides important information to identify and analyse the market need, market size and competition and also does feasibility study involving assessment of the practicality of a proposed plan and method. MRFs at GCU will be responsible for conducting market research on the courses and programs that can be introduced in the University, chalking out the feasibility plan for running these courses and programs in the university, requirement analysis of the infrastructural and relevant requirements for running these courses and programs. MRFs will also validate the marketability of a course as far as placement is considered for the students enrolling in the particular course.

The following members comprise of MRFs at GCU: -

1. Ms. Sudeshna Das, Assistant Professor, School of Media Studies, GCU

2. Mr. Christopher Devakumar, Assistant Professor, School of Commerce & Management Studies

3. Ms. Proma Chakraborty, Assistant Professor, School of Sciences, GCU

4. Dr. D. P. Sudhagar, Associate Professor, School of Professional Studies, GCU

5. Mr. Nikhil Infant

6. Mr. Richard Anthony

Constitution of Industry Connects (ICONS) Wing

The industry interface at GCU, named ICONS (Industry CONnect), will be responsible for facilitating the development of mutual relationships between the University and partners from different industrial and professional sector in the country in order to integrate industrial and professional with the teaching-learning processes. It aims to improve students' awareness of job function in the industries, so that they can adapt to industrial environment,

after attaining proper practical and relevant knowledge, skills and competencies and also to be self-employed. The ICONS will act as an interface between industries and the University in order to identify opportunities for developing innovative solutions on technological and industrial problems for the growth of socio-economic and academic development. The ICONS will be mandated with the following responsibilities: -

- To involve experts from industries in curriculum development as per the global competency requirements

- To arrange visits of faculty members/technical staffs and students for internships and assignments to various industries

- To provide professional consultancy by the faculty members / technical staffs to industries

- To help in developing memorandum of understanding between the University and industries

- To arrange carrying out of projects/dissertation works in industries under joint guidance of the faculty members and experts from industries

- To arrange short-term assignments in industries for faculty members and students in industries.

- To provide professorial chairs sponsored by industries at the University

- To provide scholarships/fellowships/placements supported by industries for students of the University

The following members comprise of ICONS at GCU: -

1. Mr. Pradeep Seraphim, Registrar & Director, HR and Placements, GCU

2. Ms. Shivani Varma, Assistant Professor, School of Media Studies, GCU

3. Mr. Prasid Chhetri, Corporate Relations Officer, GCU

4. Mr. Subhra Pratim Bhattacharjee, Assistant Professor, School of Commerce and Management Studies, GCU

5. Mr. Sudipto Das, Assistant professor, School of Computational Sciences and Information Technology, GCU

6. Dr. Sanchita Yadav, Assistant Professor, School of Commerce and Management Studies, GCU

7. Ms. Sheeba Samuel, Associate Professor, School of Professional Studies, GCU

8. Ms. Reshma Mohan M. P., Research Associate, School of Professional Studies, GCU

9. Mr. Sachin S, Assistant Professor, School of Professional Studies, GCU

Constitution of University Social Responsibility (USR) Cell

USR (University Social Responsibility) cell will catalyse the rise of a community engagement movement offering a range of possibilities for the university to function as a 'site of citizenship'. These include contributing to community, social and economic infrastructure, supporting equity and diversity within higher education and education for democratic citizenship. While University – community engagement contributes to the public good, it also reflects a changed economic and social context in which concepts of community have superseded broader notions of the social.

The USR cell at GCU shall have the following functions: -

• Development of community engagement and social responsibility fulfilment activities

• Development of knowledge in the field of social service, community engagement and inculcation of the spirit of social responsibility in students

• Conducting interdisciplinary research in some of the areas of knowledge involved in the community engagement scheme

• Providing the road map of Community – University engagement and social responsibility fulfilment plans of the University

• Promoting Community – University partnerships to develop knowledge for improving the lives of people and encourage participatory research

• Working in alliance with the community based organizations in the planning and execution of social responsibility fulfilment projects

The following members comprise of the USR wing at GCU: -

1. Ms. Sibi Shaji, Assistant Professor, School of Computational Sciences and Information Technology, GCU

2. Dr. Potukuchi Thryambakam, School of Professional Studies, GCU

3. Mr. Shivamurthaiah M, Assistant Professor, School of Computational Sciences and Information Technology, GCU

4. Dr. Jayaprakash M, GCU

5. Dr. Shruti Awasthi, Assistant Professor, School of Sciences, GCU

6. Dr. Pugazhenthi Raja, Assistant Professor, School of Commerce and Management Studies, GCU

Constitution of University Research Board (URB)

The University Research Board (URB) strategically advances the impact of the university through research and publications, grant-making as well as intellectual property support. The mission of the URB is to encourage and support quality research across all disciplines at The Garden City University. The URB promotes basic, innovative and applied research, inter and multidisciplinary research, and production of scholarly and creative works. The URB recognizes the crucial importance of freedom of thought and expression to research excellence and the advancement of knowledge. It serves as an advocate for adherence to high standards of research ethics, integrity and conduct. URB is also responsible for funding seed grants and university research, administering grants, organizing university wide seminars and conferences, providing funds for external conferences and more. The URB largely supports faculty research and comprises of members who represent the most outstanding research talent on campus. The board will be chaired by the Dean of Research & Development at GCU.

URB responsibilities comprises of the following duties:

• Develop policies, establish guidelines and set forth regulations on matters relating to research

• Implementation of policies pertaining to research funding and long-term faculty development

• Arbitrate and recommend action on any disputes or differences on intellectual property issues related to proposals, deliverables, publications or other research products

• To research on matters concerning research ethics, integrity and conduct

• Review faculty support grants

Following members comprise of the URB at GCU:

1. Dr. V. B. Coutinho, Vice Chancellor of GCU

2. Mr. Christo V Joseph, Director, Strategy & Planning, GCU

3. Dr. Potukuchi Thryambakam, Dean, School of Professional Studies, GCU

4. Dr. Y. V. Rao, Dean, School of Professional Studies, GCU

5. Mr. Subhra Pratim Bhattacharjee, Assistant Professor, School of Commerce & Management, GCU

6. Mr. Sudipto Chakraborty, Research Assistant, School of Sciences, GCU

7. Ms. Sudeshna Das, Assistant Professor, School of Media Studies, GCU

Constitution of Curriculum Development Committee (CDC)

The GCU CDC is constituted to formulate syllabus for all programmes conducted at the University. Development of the curriculum is the essential ingredient of any vibrant university academic system with necessary additions and changes introduced in it from time to time in order to maintain dynamism. Realising this need to create a dynamic syllabus, Garden City University, emphasized on the mandate of coordinating and maintaining standard of higher education, decided to adopt a pro-active role to facilitate this change and to ensure that the university curriculum is designed and updated to provide a standard education to all. The Curriculum Development Committee (CDC) at GCU is thus constituted with subject matter experts from various domains. In addition to these members, various sub subject experts also would be the part of CDC in the development of syllabus from time to time.

Since Garden City University is a transformation from Garden City College of Science & Management Studies and Garden City College of Physiotherapy which were conducting their programmes under Bangalore University and Rajiv Gandhi University of Health Sciences, quite a significant part of the syllabus (upto 75%) in Garden City University is developed inspired by the content from these two universities. Rest of the syllabus is constituted (upto 25%) under the directive received from State and Central planning commission.

The Curriculum Development Committee (CDC) is constituted with the following members:

1. Mr. Christo V Joseph, Director, Strategy & Planning, GCU

2. Prof. Sibi Shaji, Assistant Professor, School of Computational Sciences & Information Technology

3. Prof. Sheeja M. S., Assistant Professor, School of Sciences

4. Dr. Thomson Thomas, Assistant Professor, School of Commerce & Management

5. Mr. Subhra Pratim Bhattacharjee, Assistant Professor, School of Commerce & Management

6. Mr. Sudipto Chakraborty, Research Assistant, School of Sciences

7. Dr. C Nagadeepa, Assistant Professor, School of Commerce & Management

PLANNING, MONITORING, STATISTICS & EVALUATION BOARD (PMSEB)

BRIEF INTRODUCTION:

Planning, Monitoring, Statistics & Evaluation Board (PMSEB) is a statutory administrative unit of the Garden City University established in the year 2018. PMSEB is functioning with the overall planning, monitoring, statistics and evaluation of academic, research and development programmes of the University. The Office of the Registrar of the University comes under the direct control and supervision of PMSEB.

AIMS AND OBJECTIVES:

This is an important Wing of the University administration. It is headed by the Director of PMSEB who is a Senior Professor and has a considerable supportive staff.

Aims of the PMSEB

- Planning provides a specific direction for doing various activities in an appropriate manner
- Planning provides a proper guidance to the University how to bring certainly in future events for the achievement of organizational goal
- Focusing on University Goals, Strengthening the quality of Academic Activities
- Participative and active involvement in Research and Academic Activities
- Explain the various procedures involved in planning and designing a learning events
- Assessment, validation and evaluation of education – Formative and Summative assessment – External and Internal Validation

Objectives of the PMSEB

1. To develop specific objectives and actions
2. To develop specific strategic plan
3. To improving teaching and learning and efficiency of implementation
4. To provide academic and professional guidance to agencies, institutions and personnel engaged in educational planning and administration
5. To organize orientation and training programmes and refresher courses for teacher-educators and for University and College Administrators engaged in educational planning and administration
6. To offer fellowships, scholarships and academic awards
7. To assist teachers in their professional development and career planning
8. To have clarity of institutional goals and objectives, requirements of a job and how a job relates to overall institutional aim and needs
9. To study and compare the growth and development in various aspects of the University.
10. To continually change, improve and ensure the effectiveness of the University programme in preparing students for successful careers
11. Liaisioning with funding agencies/departments/ teachers/scholars to promote collaborative and interdisciplinary academic endeavours
12. Creation of a directory of scientists / noted educationalists and scientific institutions for interaction of the faculty members and scholars
13. Organising appropriate training modules to the existing staff to record and maintain the database of the University for their routine work
14. Maintenance of a sound database of the University system pertaining to administrative, academic, developmental, financial and examination information of the University

The PMSEB shall consist of the following members, namely:

1	Vice Chancellor	Chairman
2	Two Deans	Members
3	Four Teaching Staff	Members
4	Two Representatives from the Industry	Members
5	Director of PMSEB	Member
6	Registrar	Secretary

RESEARCH PROJECTS
GARDEN CITY UNIVERSITY
GCU PERFECT – PROJECT PROPOSAL LIST

Innovations in Research (GCU PERFECT- Project for Establishing Research Fraternity & Enhancing Core Technology)

List of 55 innovative projects from different schools of our University were selected for the first phase of enhancement programme in the field of research and extension.

Project Title	Principal Investigator	Co-Investigator	Budget
Production of electricity by Microbial Fuel Cell.	Anandhu M B, Asha Dahiya, Ganesh Rao	Dr. Yuvraj Chakradhari, Yogesh Muswad	8000/-
Study of ants nesting behavior and the effect of Clitoria ternatea on their cognitive functions.	Ramtej K P	Yogesh Muswad	2680/-
Production of Compost from Parthenium.	Yogesh Muswad	-	7000/-
Lab based development of Hydroculture technique.	Yogesh Muswad	-	11811/-
Antimicrobial susceptibility surveillance in Bellandur lake	Kedarnath Sahu, Dipti Sharma, Sarik Sarkar	Dr.Yuvraj Charadhari	13000/-
Role of plant source to combat anemia.	Upasana Saha, Purva Dharwadkar, Sushmita Sur, Vishaharini V.	Dr. Madhu Maleshappa	13000/-
A comparative study of Banana peel, Guava leaf & curry leaves on oral cavities & plaques caused due to microbial activities.	Sambit Das, Rohit Sharma, Arshi Oliver, Shatabdi Mazummdar	Dr. Yuvraj Chakradhari, Yogesh Muswad	16,975/-
Endophytic micro flora of medicinal plants, their interactions and molecular characterization of infected medicinal plants.	Chahat Sharma, Vrinda Tiwari	Dr. Sharangouda J. Patil, Muswad Yogesh	11895/-
Removal of lignin from solid agro wastes in order to conserve reducing sugars.	S. Buvaneshwari, Debasmita Das	Dr. Priyanka Pachauri	7000/-
Production of Wine from Wild Variety Figs of Ficus racemosa.	Anjali Suresh, Durriya Ali	Dr. Sharangouda J. Patil, Muswad Yogesh	7650/-
Biodegradation of milk packets using microbes.	P G Piyadarshini	Prof. Florence Shobha	11000/-
Isolation of probiotic organism from yoghurt and using them to produce probiotic chocolates.	Sambudda Ghosh, Satyaki De, Saswati Mandal, Shalmali Chatterjee	Dr. Sadashiv S. O	5975/-
Isolation and characterization of drug resistant Staphylococcus aureus from slaughter house.	Poushali Singha, Chandra Dey, Aindrila Das	Dr. Sadashiv S.O	8450/-
Financial literacy: A study among the university students .	Akash Rao, Bhuvaneshwari J, Monisha G.	Dr. Sachita Yadav	10000/-

Project Title	Principal Investigator	Co-Investigator	Budget
Production of bio-fuel and cosmetic products from grape and sugarcane wastes	Manjistha Baruah, Rupswet Gogoi Sushmita Gautam	Prof. Florence Shobha	10000/-
Biodegradation of plastics by caterpillars	Suvarna Chatterjee, Sreelakshmi R K, Indraneel Roy	Dr. Sharangouda J Patil	12000/-
Exploiting all wireless devices with Hack RF	Venkatesh Rohit Nair	Dr. Ashok	35000/-
Synthesis, characterization and evaluation of therapeutic efficacy of rapidly dissolving enalapril nano-fiber.	Taniya Golani, Tamanna Golalni	Dr. Shruti Awasthi	8000/-
An integrated approach to the development of Bangalore lakes – The tourism perspective		Mr. Sachin S, Ms. Ishrat N. Wahab	25000/-
Investigation of biological food preservative agents	Sreyasee Banerjee, Madhura Adhikary, Meheli Ghosh, Ritika Maheswari	Dr. Sharangouda J. Patil	13500/-
Analysis of ingredients present in cosmetics, their harmful effects and herbal alternatives	Amritapa Chattopadhyay, Baishali Chanda, Isha Shridhar	Dr. Sharangouda J. Patil	10,000/-
To find the prevelance of trapezitis in smart phone user	Vidya M S, Sunayna Singh	Dr. Anjali Suresh	15000/-
Comparative study on effects of aerobic and pilates exercise for pain relief and improving quality of life in subject to fibroyalgia	Monalisa Sequeira	Dr. Pinky Dutta	18000/-
Phytochemical Screening, Contribution to The Study of The Antifungal Effect of Flavonoids from Different Parts of Banana and Lotus Plants	Liki Mohanty and Swetapadma Dash	Dr. L.A. Rama Chandra Prasad	12000
To find the effect of deep breathing exercise for stress management amongst University students	Shantanu Chakraborty	Prof . Anjali Suresh	10000
Biosynthesis of composite Fe/Zn nanoparticles using Aloe Vera gel extract and its application for improved drug efficiency	Noor Hafsa	Dr . Shruti Awasthi	10000
Hypoacidic Activity of Selective Herbal Extracts; A study on the inhibition of K^+/H^+ ATPase pump	Ms. Supriya Sanjay Bandekar Ms. Shibani Dwivedy	Dr. Nagamani J.E.	9447
Collection of translated folklores and myths	Ms. Mary Binu & II BAEH students	Ms. Mary Binu	-
Traslation Of the selected works of kamala das from malayalam to english	Ms. Jisha C. Jose		-
Life, culture and folklores of the baduga community	Ms. Mary Binu TD		-
Millet beer	Meet A. Patel	Yogesh Muswad, Dr. D. P. Sudhagar	2750

Project Title	Principal Investigator	Co-Investigator	Budget
Recycling and up-cycling	Yashaswini N.G		10000-12000
Tribal wall paintingartform revived by lippan wall frame	Shwetha Pai. N		11000-13000
Smart mirror	Bhargav	Dr. Ashok Kumar	20000
Tablet for the visually-impaired	Sloke Tamang	Dr. Ashok Kumar	14050
Therapeutic applications of silver nanoparticles produced by fungi in	Debashrito Deb and Utkarsh Narsaria	Dr. Prema Kulkarni	6000
Translation of book from Gujarati to English	Priyank Goswami	-	-
Translation of the novel, 'bindia' from bhojpuri to hindi	Ms. Sanyogita Maurya		-
Improve balance in elderly with reduce ankle ROM	K. Kiboli	Dr. Sukumar	15000
Electricity generation by using bacteria isolated from lake water	Shinjin	Dr. Yuvraj Chakaradhari, Muswad Yogesh	7000
Evaluating the test perception of millets among youth segment	Dr. D P Sudhagar		6000
Preparation of anti-oxidant rich Indian Pickles	Dr. D P Sudhagar		5000
Development of Sundried herbal drink based on the framework of Indian system of medicine	Dr. D P Sudhagar		6000
Understanding the role of Indian cooking methods and its impacts on nutritional value of the food	Dr. D P Sudhagar		6000
Probiotic drink preparation for the contemporary consumer market	Dr. D P Sudhagar		5000
Usage of the natural products for culinary colorings	Dr. D P Sudhagar		4000
Fruit bean coffee production	Dr. D P Sudhagar		3000
Preparation of international cuisine by using millets	Dr. D P Sudhagar		6000
Indian style herbal based sweet candies	Dr. D P Sudhagar		3000
Determination of fat composition in Indian Oils by applying Raman spectroscopy	Dr. D P Sudhagar		10000
Development of diabetics friendly food and beverages	Dr. D P Sudhagar		5000
Structural characterization of millets by using Raman spectroscopy	Dr. D P Sudhagar		10000
Development of green straw by using tree barks/leaves	Dr. D P Sudhagar		2000
Entrepreneurship model of millet cart	Dr. D P Sudhagar		25000
Supply chain model to develop "Black Gold" at Garden City University	Dr. D P Sudhagar		1000

INNOVATIONS AT GARDEN CITY UNIVERSITY

Innovations in Pedagogy (ILEAP)

Garden City University opened its portals to students from all walks of life in 2017. The University upholds its motto 'Emphasis on life' and its tagline 'creating dreamers, achievers and winners' by facilitating all round development of every student. The University is committed towards academic excellence and innovative student learning and engaging practices are adopted by all Schools and Departments. The innovative practices are also shared at a collective platform called ILEAP@GCU, envisaged by Dr. Joseph V.G., Chancellor, Garden City University and Vice Chancellor, Prof. V.B. Coutinho. ILEAP stands for Innovative Learning and Engaging Academic Practices @GCU. The forum, comprising of all faculty members meets every Saturday, excepting third, to showcase the innovative pedagogical practices adopted by the Schools and Departments. This platform has effectively managed to motivate the faculty members and to draw inspiration to continuously innovate and invent strategies to enhance student learning experience at GCU.

INNOVATIONS IN CURRICULUM DESIGN

Designing the online teaching plan:
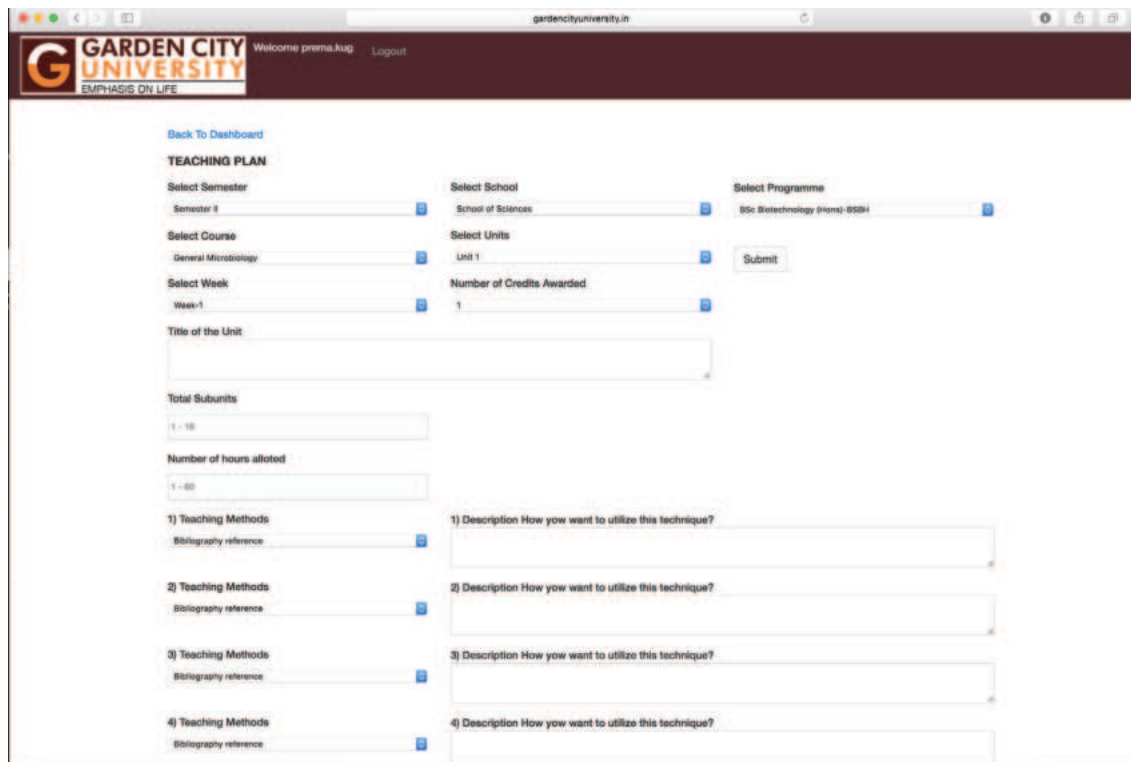

▶ Creation of active engagement techniques
▶ Systematic allocation of course designers for particular programme
▶ Learning outcome weightage calculation
▶ Course plan designing and internal/external peer review

Innovations in Course Matrix Design (Credit Allocation)

▶ Practical courses are designed for 1 credit, 1.5 credit, 2 credit & 3 credit
▶ Core courses are designed for 3 & 4 credits
▶ Elective courses are designed at our University for 2, 3 & 4 credits
▶ 14 core courses are allotted for honors programmes and 12 core courses for regular programmes

	CORE COURSE (14)	Ability Enhancement Compulsory Course (AECC) (2)	Skill Enhancement Course (SEC) (2)	Elective: Discipline Specific DSE (4)	Elective: Generic (GE) (4)
I	C 1	(English Communication/MIL)/ Environmental Science			GE-1

Innovations in Course Allocation
▶ Systematic Faculty Allocation
▶ Mapping of the faculty expertise with the learning outcomes of the programmes

Innovations in Admission
▶ UGET/PGET admission entrance examination
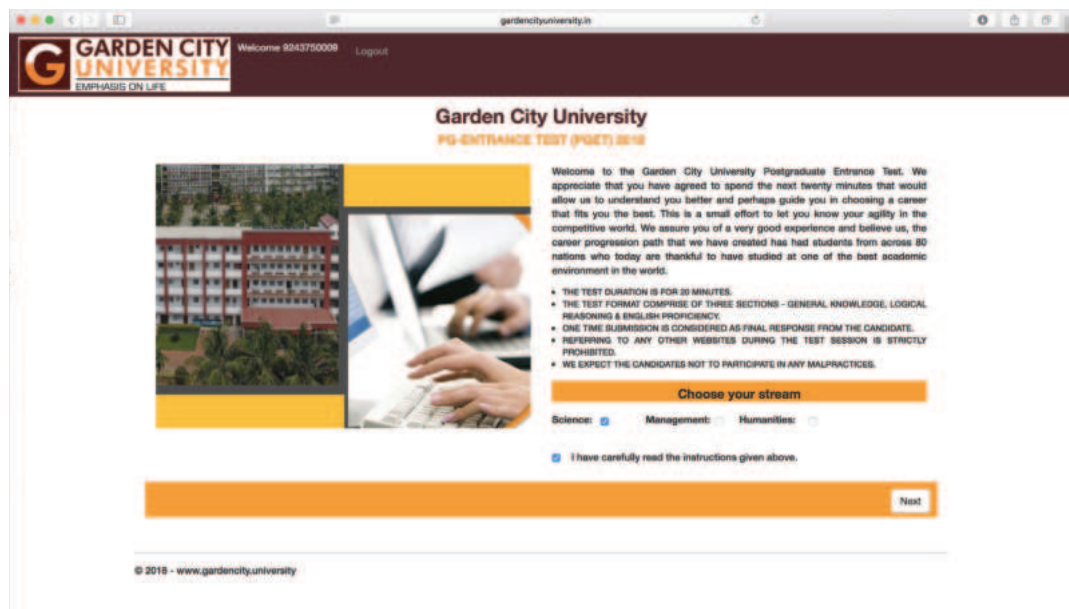

- SOP/ Letter of Reference
- Personal Interview at the Department level
- Admission Enrollment Letter

Innovations in Internal Assessment
- Continuous Internal Assessment - Auto-integrated system for marks allocation
- Systematic mapping of evaluation criteria with the portal
- Introducing the innovative assessment indicators – Class participation, Timely submission of assignment, Teacher's Prerogative marks etc
- Portal for integrating the remedial measures conducted for the students with less than 75 % attendance or less than 50 % CIA marks

Innovations in Examination
- Automation integrated question paper generation
- Question Bank Utility
- Automatic generation of seat matrix
- Mapping of examination timetable with the examination check-in system

- Student Portal based Hall Ticket Generation
- Unique Coding system for the answer booklets
- Barcode recoding system for assessment
- Mapping of the answer booklet with the bar code assigned for the evaluator

Innovations in Evaluation
- Portal based entry of marks for ESE
- Internal & External Evaluation System
- ESE results declaration through the University website

Innovations in Revaluation system
Designing the revaluation portal:

- Declaration of the revaluation results in the University website

- Innovations in Generation of Marks Card

PATENTS OBTAINED AND FILED (PROCESS AND PRODUCT)

1. Patent filed in India as well as USPTO on 'Method and system for rewarding parties in a payment transaction via managing circulation of small denominations of currency'.

2. Patent filed in India and USPTO on 'Method and System for Realizing and Managing Quantum Food Levitation'.

3. Patent is also filed on 'Method and system for smart autonomous and automated generation of recommendations and notifications in connection with broadcast media programs (infossistent)'.

4. Patent filed on 'Methods and system for managing smart physical point of childcare services (POCS) for legal guardians'.

5. Patent filed on 'Methods for charging electrical batteries of fixed, portable and wearable computing and communication devices using a smart portable thermoelectric generator (teg) system at least one of integrated and retrofitted thereto'.

6. Patent filed on 'Method for rendering smart context-aware internet of things (iot)-based aquaculture management-as-a-service (amaas) via deployment of smart computing and communications devices in the context of cloud computing-based aquaculture management system'.

7. Patent filed on 'Method for generating bioelectricity and biosensing using a smart microbial fuel cell (mfc)'.

E-GOVERNANCE

E-governance in the education system is the robust and integrated system to create a vast repository of knowledge resources by the utilization of ICT.

At GCU our principles of e-governance system are designed as per the doctrines opined by the strategy and planning committee.

The major strengths of introducing e-governance system are listed as below:

a) Enabling implementation of consecutive models for enhancing quality education and standardizing curriculum delivery methods

b) Providing fair system to organize or conduct the assessment process.

c) Aims to reduce the limitations for distance and accessibility

d) Overriding administrative delays in education system

e) Utilization of the optimal resource/auditing and forward planning

f) Online availability of industry experts for enhancing the chances of career progression

E-governance system at our University incorporates following counter parts:

a) Online feedback system

b) Centralized Academic Auditing

c) Grievance Redressal Unit

d) Repository

e) Assignment Evaluation System

f) Online quiz test

g) Online assessment for project evaluation

AUTHORITIES OF THE UNIVERSITY

MEMBERS OF BOARD OF GOVERNORS

Sl.No	Members	Designation
1	Dr. Joseph V G, Chancellor, GCU	Chairman
2	Mr.Jawaid Akhtar IAS Principal Secretary, Higher Education, Govt. of Karnataka	Member
3	Dr. Shalini Rajneesh IAS Principal Secretary, Health & Family Welfare Dept., Govt. of Karnataka	Member
4	Dr. Fr Thomas Aykara Former Chancellor, Christ University, Bangalore	Member
5	Dr. Sr Genevieve Administrator, Teresian College, Mysore	Member
6	Dr. V.B. Coutinho Vice Chancellor, Garden City University	Member
7	Dr. N.S. Ramegowda Former Vice Chancellor, Karnataka State Open University, Mysore	Member
8	Mr.Pradeep Seraphim Registrar, Garden City University	Member Secretary

MEMBERS OF BOARD OF MANAGEMENT

Sl.No	Members	Designation
1	Dr V B Coutinho Vice Chancellor	Chairperson
2	Mr. Christo V Joseph Director, Strategy & Planning	Member
3	Dr. Jacob Crasta Founder Chairman – CME Group, Bangalore	Member
4	Mr. Ajay B N Coordinator	Member
6	Dr. D P Sudhagar Acting Dean – Social Sciences	Member
7	Mr. Pradeep Seraphim Registrar	Member Secretary

MEMBERS OF FINANCE COMMITTEE

Sl.No	Members	Designation
1	Dr Joseph V G Chancellor	Chairperson
2	Dr V B Coutinho Vice Chancellor	Member
3	Mr. Pradeep Seraphim Registrar	Member
4	Mrs. Shobha Srinivasan Accounts Officer	Member
5	Mr. V.N. Yadunath Chartered Accountant	Member
6	Mr. Nainan P Oommen Finance Officer	Member Secretary

MEMBERS OF ACADEMIC COUNCIL

Sl.No	Members	Designation
1	Dr V B Coutinho Vice Chancellor	Chairperson
2	Mr Pradeep Seraphim Registrar	Member Secretary
3	Mr Christo V Joseph	Member
4	Ms Sibi Shaji	Member
5	Ms Ishrat Nasreen Wahab	Member
6	Mr Steven David	Member
7	Dr. V.J. Lakkappan	Member
8	Dr. D.P. Sudhagar	Member
9	Ms Yashaswini N.G	Member
10	Ms Smitha M Reddy	Member
11	Prof. Sheeja M.S	Member
12	Mr Subhrapratim Bhattacharya	Member
13	Mr Sudipto Chakraborty	Member
14	Mr V.K. Pillai	Member
15	Ms. Preethi Rajesh	Member
16	Dr. Binu M. Joseph	Member
17	Dr. Y. Venugopal Rao	Special Invitee
18	Dr. Sarit Kumar	Special Invitee

PARENTS TEACHERS MEETING

We at GCU believe that Parents, Teachers and Alumni are the three pillars that mold a student as they build their career path. As parents ensure to give the best education to their child we assure to deliver the best.

The progress of every student is enabled through structured mentoring and handholding during critical junctures of the academic journey. The parent-teacher meet is one of the important components that brings at par the expectation of the parents and the performance of the student.

Parents teachers meeting was organized on 23rd September 2017 in the odd semester, 10th February and 24th March in the even semester.

The parents were intimated about the meeting well in advance by the class teachers.

As the university has students from across the country and the world it is not easy for the parents to travel hence we had made provisions to schedule a video call on WhatsApp or schedule a SKYPE chat at their convenient time.

ACCOLADES & AWARDS

BEST PRIVATE UNIVERSITY
India's Best upcoming Private University awarded by Career Connect Magazine 2018

DOYEN of Karnataka, in the field of Education
Conferred on the Chancellor by The Hindu Newspaper 2017

GARSHOM International Award for Best University
Awarded by Garshom Media Pvt. Ltd 2017

Facilitator Award for National Science Concours
Awarded by Pivotal India

AWARDS RECEIVED BY STUDENTS
